little medical school
Treasure Coast

Join Our Little Doctor School® Program!

Learn about this healthcare career while using real tools!

Little Doctor School® is an after-school enrichment program offering hands-on learning about the role of a physician. Participants will learn about physical exams, the heart and lungs, surgery, and more using real tools, culminating in their informal graduation as Little Doctors!

Little Doctors Learn About:

How to treat minor emergenices and build a first aid kit

The lobes and function of the brain

The anatomy of our spine

Students take home items from the program!

- Taught by trained instructors
- Developed by board-certified physicians and educators
- Hands-on and educational
