

7010 PROJECTING EDUCATIONAL PROGRAMS

Projecting educational programs shall be the general responsibility of the Superintendent and his/her designee and shall be based upon recommendations from school administrative staffs and faculty members. Building planning shall reflect recent educational advances and result from the interaction among personnel that occurs during the development of educational specifications.

Adopted: 06-09-1970 ISD 709

Revised: 06-20-1995 ISD 709
