Mary Lin Principal's Coffee Thursday, Sept. 25

Agenda

1. Fall MAP Growth Data
2. Spring 2025 EOG Data
3. Reading MAP Family Reports
4. Fun Run Update
5. APS Facilities Master Planning

MAP RESULTS

Reading/ELA Achievement
Fall 2025 MAP

K-8 Aggregate Quintiles for Achievement

The below percentages show what percent of students at each school land in each quintile based on the percentile from MAP Growth.
*click in a school to see grade level performance if there are above 10 students per grade

Data updates nightly during test window.

How to read the MAP Family Report

map GROWTH

Mickey Mouse

Winter 2024 **Family Report**

ID: 9999999 | Grade: X

Virginia-Highland Elementary School

What is this report? A summary of how your child is performing academically, as measured by the most recent MAP Growth test.

What is MAP Growth? A test that adapts to your child's responses in real time to measure your child's skill level.

Why is my child taking MAP Growth? MAP Growth scores help teachers check student performance by measuring Achievement and Growth. Teachers use results to tailor classroom lessons and to set goals for students.

What do Achievement and Growth mean?

Achievement—How well your child has learned skills in a subject compared to similar students nationwide.*

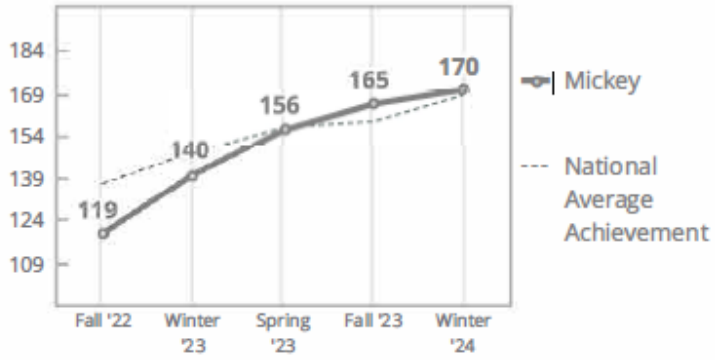
Growth—A measure of your child's personal progress over the year.

What is a RIT score? The overall score for a subject based on a Rasch unit (RIT) scale that indicates how your child performed in a subject.

*Similar students — kids with same starting RIT score, same number of weeks of instruction, and in the same grade

Mathematics

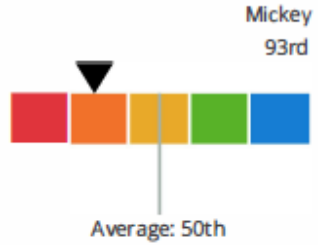
Average Achievement 57th Percentile



Mickey's overall score (RIT score) was a 170 on a range of 100-350. Your child is in the 57th percentile, which means they scored better than 57% of their peers.

High Growth 93rd Percentile

Your child's growth from Winter 2023 to Winter 2024 is in the 93rd percentile, which means they made more progress than 93% of their peers.



MARY LIN FUN RUN

The Fun Run donation drive officially starts today! For families that would like a suggested donation, we need to raise **$200 per student** on average to reach our $100,000 goal. We know this amount isn't right for every family, and we invite you to give as you're able and welcome any amount.

When you donate to the Fun Run, here's how the PTO will spend your donation:
