Dear Parents/Guardians:

Welcome to the Boyertown Area School District! Our records indicate your child may be eligible to begin kindergarten in the fall of 2026. To enroll in kindergarten for the 2026-2027 school year, your child must be five (5) years old on or before September 1, 2026.

Enclosed is a packet containing instructions on how to access the Online Registration Portal to register your child. **The registration link will open on January 7, 2026.** You must complete the **online application** through the Boyertown Area School District website or the Infinite Campus Parent Portal. If you do not have access to a computer or tablet at home, please visit the public library or schedule an appointment to use the kiosk at the Education Center. Additional documents are required, including proof of residency, age verification, and immunization records. These documents can be uploaded directly to your child's application on the Online Registration Portal at the time of submission. Alternatively, you can fax them to 610-473-5305, email them to the Student Registration Office at basdregistration@boyertownasd.org, or drop them off at the Boyertown Area School District Education Center.

Please note that physical and dental exams are required for all incoming kindergarten students. Exam forms can be downloaded from the BASD Registration page. However, these exams are not necessary to complete your child's kindergarten registration.

To ensure your child’s registration is considered complete, please provide the following:

- Completion of the online registration application
- Proof of parent/guardian’s residency (see Residence Verification on the registration webpage),
- Age verification
- Physician’s record of immunizations, indicating the month, day, and year of each immunization dose, or a signed medical exemption card.
