---

Good morning,

Please share the attached bulletin regarding countywide Payroll Processing Schedules, Pay History Adjustment, and State Unemployment Insurance deadlines, and available payroll cycles for fiscal year 2026-27.

Please make note of the color-coded calendars to the right of the schedules, which delineate actual payroll issuance dates throughout the year. We strongly suggest you notify your employees of any variations from normal issue dates which may fall on holidays and/or weekends.

The payroll processing schedules will be available for use in the system once District Financial Services enters them into Payroll.net, which will be sometime in May.

Thank you all for your continued work ensuring school district employees across the county are paid timely and accurately!

Have a great day,
Lena

SUBJECT: Payroll Processing Schedules and Payroll Cycles for Fiscal Year 2026-2027

Attached are the countywide Payroll Processing Schedules for fiscal year 2026-2027. We will continue locking payroll at 4:00 p.m. on the stated payroll lock dates. This will ensure payrolls are audited and released in a timely manner. The payroll processing schedules have been simplified, reflecting only the dates of concern to school districts, namely district payroll locking dates, payroll and voluntary deduction warrant delivery dates, and actual payroll issuance dates. The schedules will also be posted on the "District Financial Services Forms" webpage using the following link:

District Financial Services Forms - San Bernardino County Superintendent of Schools

District Financial Services will enter the Payroll Processing Schedules into Payroll.net once Technology JPA performs the County Configuration and Rates Roll in May.

In producing these calendars, we have taken into consideration the legal school holidays as defined in Education Code Section 37220.

As a reminder, we have also taken into consideration the CalSTRS Penalties and Interest regulations that took effect July 1, 2012, by adding a supplemental cycle with an issue date of the 9th of the month. Corrections and omissions from the contract payrolls (including semi-monthly) for CalSTRS members should be processed on the 9th of the month supplemental cycle to avoid penalties and interest for late reporting and late contributions.

Please note:

1. **All** wages due an employee should be paid on the employee's normal pay cycle.

2. There will be four payroll cycles each month. **A supplemental payroll for corrections and omissions may be requested for an issue date of the 9th or the 15th of the month - with the exception of the Hourly/Daily payrolls, which may only be processed on the 15th of the month.**

3. The issue date of the warrants will be as follows:
   a. Certificated contract: 1st of the month.
   b. Hourly/Daily or 1st Supplemental: 9th of the month.
   c. Classified Semi-Monthly or 2nd Supplemental: 15th of the month.
   d. Classified Contract: The last working day of the month.

4. Voluntary payroll deductions will be consolidated and processed twice a month, on approximately the 1st and 15th of the month.

Please feel free to email Jessica Cano at Jessica.Cano@sbcss.net if you have any further questions.

Sincerely,

Ted Alejandre
County Superintendent of Schools
