MJHS Rising Freshmen

Class of 2030

Building Overview

Principal: Mr. Ryan Hill

MJHS Mission Statement

MJHS mission is to prepare students to become successful and productive citizens by providing advanced educational opportunities and experiences. MJHS is committed to promoting mutual respect among students and staff to enhance tolerance and self-esteem. Each member of our school community is a valued individual with unique needs and abilities.

Important Policies & Info

Transportation

- Car rider line enters from North side of building. Drop off and pick up at the South entrance (commons)
- Bus rider drop off at the South (back) and pick up at front entrance facing Golden Bear Gateway (West)
- Students may begin driving when they have a valid driver's license and have purchased a parking pass.

Late arrival / Early dismissal

- Late arrival and early pick-up of students must be done through the Main Office.
- Excuse notes for attendance should be dropped off in the attendance mailbox outside the Main Office.
- Dropping off items for students is done through the Main Office.

Attendance

- Students have **3 school days** to turn in a note for an absence to be excused.
- Students have **5 parent notes** per semester.
- Doctors' notes and court excuses are unlimited but may result in requiring further documentation.

- **How can I turn in an attendance note?**
  - Skyward
  - Emailing attendance secretary
  - Fax
  - In person

Schedule

- Daily Hours
  - 8:30am - 3:30pm

- Block Schedule
  - Students will take 8 credits per year.
    - 4 credits each semester.
  - Each class is approximately 90 minutes long every day for one semester.

Example:

Fall Semester
1st block - Algebra 1 Pt. 1
2nd Block - Lifetime Wellness
3rd Block - World History
4th Block - Environmental Science

Spring Semester
1st Block - Algebra 1 Pt. 2
2nd block - Visual Art 1
3rd Block - English 1
4th Block - Computer Science

Graduation Requirements

All students will meet the following requirements

Total = 26 Credits

- **English - 4 credits**
  - English 1
  - English 2
  - English 3
  - English 4
- **Math - 4 credits**
  - Algebra 1
  - Geometry
  - Algebra 2
  - Higher Math
- **PE/Health - 1.5 credits**
  - Lifetime Wellness
  - PE 1 (.5)
- **Fine Arts - 1 credit**
- **Computer Science - 1 credit**
- **Science - 3 credits**
  - Biology
  - Chemistry or Physics
  - Lab Science
- **Social Studies - 3.5 credits**
  - World History or AP Human Geography
  - US History
  - US Government (.5)
  - Economics (.5)
  - Personal Finance (.5)
- **Foreign Language - 2 credits**
  - Must be the same language
- **Elective Focus - 3 credits**
- **3 additional credits (any)**

Coursework Rigor - 9th Grade

Standard	Honors	Advanced Placement	Dual Enrollment
State curriculum	State curriculum	College Board curriculum	College curriculum
Regular level	May have different pacing with deeper content	College level pacing and content	College level pacing and content
A = 4 quality points	A = 4.5 quality points	A = 5 quality points	A = 5 quality points
No points on final grade	3 points on each report card and final exam	5 points on each report card and final exam	5 points on final grade

* Students who take AP courses must take the AP exam to get the additional quality point and 5 points on final grade, otherwise it is treated as an honors class.

Course Grading

- Only final course grades will appear on the transcript.
- Final course grades display on the transcript in letter-form only. (An A as a 93 or 100 will look the same.)
- Most courses will average the grading periods together for the final grade.
- Courses with an EOC test will usually factor in the EOC as a portion of the final course grade.

Calculating GPA

- Formula:
  - Quality Points/Attempted Credits = GPA
- Half-credit classes only earn half the quality points.
  - Example: A = 2, B = 1.5, C = 1, D = .5, F = 0
- Regular Quality Points
  - A = 4, B = 3, C = 2, D = 1, F = 0
- Honors and AP/EPSO (without exam) Quality Points
  - A = 4.5, B = 3.5, C = 2.5, D = 1.5, F = 0
- AP & EPSO Quality Points (with exam)
  - A = 5, B = 4, C = 3, D = 2, F = 0

Graduation Recognition

No Class Rank

- Summa Cum Laude - 4.25 or higher GPA
- Magna Cum Laude - 4.0 - 4.24
- Cum Laude - 3.75 - 3.99

Valedictorian or Salutatorian

Must attend MJHS for minimum of 4 semesters

Graduate Summa Cum Laude

Take at least 3 Advanced Placement courses and pass 67% of AP exams with 3 or higher

20 hours Community Service

Student must attain the highest GPA.

If a tie, highest ACT score will be used.

Registration Process

Mount Juliet High School

9th Grade Course Registration Form 2026-27

Last Name: _____ First Name: _____

Elective Focus (Circle): Math and Science Humanities/Fine Arts CTE JROTC Advanced Placement Dual Enrollment

All students must register for 8 full credits and three alternatives. Students will be scheduled into chosen classes by computer and each student will be expected to remain in these classes, both semesters. Should a course not be offered or be at a maximum enrollment, an alternate will be scheduled.

REQUIRED FRESHMAN CLASSES		
Course	**Credit**	**Course Code**
English (Circle One)		**Teacher Initial**
English 1	1	G01H09
Honors English 1	1	G01H09H
Math (Circle One)		**Teacher Initial**
Algebra I Pt 1/2	2	G02H01F1/G02H02F2
Algebra 1	1	G02H00
Honors Algebra 1	1	G02H00H
Geometry	1	G02H11
Honors Geometry	1	G02H11H
Science (Circle One)		
Agriscience	1	C18H19
Honors Ag	1	C18H19H
Environmental Sci.	1	G03H33
Honors Biology I	1	G03H03H
Social Studies (Circle One)		
World History	1	G04H10
Honors World History	1	G04H10H
AP Human Geography	1	G04H30
Health and Phy. ED (Circle One)		
Lifetime Wellness	1	G08H03
JROTC 1A/1B	2	G08H04A/G08H04B
Computer Science Credit (Circle One) Computer Science Foundations is the first class in the Computer Science Pathways. Take this class if you are interested in Coding, Web Design, or Cybersecurity.		
Computer Science	1	G10H06
Computer Science Foundations	1	C10H11

Please have your current 8th grade ELA and Math teacher initial next to your selection.

ADDITIONAL FRESHMAN CLASSES		
Review the Program of Studies and the Course List Sheet. Write additional classes below:		
Course	**Credit**	**Course Code**
Write ALTERNATIVE class choices below:		
Course	**Credit**	**Course Code**
1		
2		
3		

Students are obligated to take the courses they requested. Students, therefore, should carefully select courses to match their abilities and educational goals. **Students who request and receive Honors, Advanced Placement, or Dual Enrollment courses are obligated to take these courses in the next academic school year unless school administration approval is granted.**

Student Signature:_____ Parent Signature:_____

To complete the Registration Process:

- Talk with your student about the courses they would like to take.
  - They will receive a copy of these documents at school.
- Your student's CURRENT school counselor will meet with them to select their classes and enter them in Skyward.
- A MJHS counselor will meet with them to confirm their choices.

+ Rising Class Information

Required Coursework - 9th Grade

Math - Must choose 1 credit

- **If student is taking Algebra 1 in 8th grade:**
  - Geometry or Honors Geometry
- **If student is taking Math 8 or H. Math 8**
  - Algebra 1 or Honors Algebra 1
- **If student has difficulty in math:**
  - Algebra pt. 1 and pt. 2 (takes Algebra all year)

Required Coursework - 9th Grade

English / Social Studies
1 credit each

- **English**
  - English 1
  - Honors English 1

- **Social Studies**
  - World History
  - Honors World History
  - AP Human Geography

Required Coursework - 9th Grade

Science - 1 credit

- **Science**
  - Agriscience
  - Honors Agriscience
  - Environmental Science
  - Honors Biology

Required Coursework - 9th Grade

Health and Phy. Ed
Computer Science
1 credit each

- **Health and Physical Education**
  - Lifetime Wellness
  - JROTC 1A/1B (2 credits)

- **Computer Science Credit**
  - Computer Science
  - Computer Science Foundations
    - 1st class in elective focus pathway (coding, web design, cybersecurity)

Remaining Courses

At this point, most students will have 6-7 credits worth of classes. Students with 6 credits need to select 2 elective options. Students with 7 credits need to select 1 elective option. Students need 8 credits total.

Elective Focus

- Elective focus is a category of graduation requirements that allows a student to study an area of interest they might want to pursue beyond high school.
- Students must earn at least three credits within one program of study to meet this requirement.

Elective focus areas:

- Math/Science
- Humanities/Fine Arts
- JROTC
- CTE
- Advanced Placement
- Dual Enrollment

Mount Juliet High School Program of Studies

Marine JROTC Focus Area

Students within this elective focus area are choosing to follow the JROTC leadership development program.

JROTC instructors hope students will follow the program for all four years, but only two years are required to meet the elective focus.

<u>These graduation requirements are met at the following benchmarks:</u>

- 2 years (4 credits) of JROTC - Lifetime Wellness, PE 1, and Elective Focus
- 3 years (6 credits) of JROTC - US Government and Personal Finance

College Sports - NCAA Eligibility

Think you might want to play a sport in college?

Let your high school counselor know to keep you on track to meet eligibility.

Key notes:

Only use the 16 core classes (English, Math, Science, Social Studies, and Foreign Language) to determine eligibility.

Must maintain a 2.3 GPA in the core classes.

The lower the GPA, the higher the ACT score must achieve.

No course substitutions

Checking Graduation Requirements

- It is important to meet the course requirements, not just the number of credits in each subject area.
  - Example: You need World History, US History, US Government, Economics, and Personal Finance - not just 3.5 credits in Social Studies courses.

- Counselors will provide every student with a transcript and personalized course advisement each year.
  - Student should double-check to ensure they are on track for graduation.

Schedule Change Policy

- Our high school builds its master schedule on students' requests for courses and on its ability to staff the courses students request. The registration process helps determine what courses the school will staff and offer in the following school year. Once we establish our master schedule, students are obligated to take the courses they requested. Students, therefore, should carefully select courses to match their abilities and educational goals.

- Students who request and receive Honors or Advanced Placement courses are obligated to take these courses in the next academic school year unless school administration approval is granted.

The more you know!

<u>EVERYTHING</u> about student schedules, teacher jobs, teacher scheduling, and course availability <u>relies on the completion and accuracy of students' course requests</u>.
