Katy ISD provides all students with academic opportunities needed to prepare them for college and beyond. Participation in the SAT School Day is an important step in preparing for college.

The SAT is accepted by all U.S. colleges; it measures what students are learning in high school and what they need to know to succeed in college and career. With SAT School Day, all students have access to this important stepping-stone. Students can choose which colleges, universities, and / or scholarship programs to send their four free score reports.

Students can prepare for this exam by reviewing the information in the SAT School Day Student Guide. Students can use the information located on College Board's website to create a study plan.

What Should Students Do Before Test Day?

- Create a College Board Account
- Decide where to send scores

What Should Students Bring on Test Day?

- A pen or pencil for scratch work (No. 2 pencil not required)
- Current and valid school/government issued ID
- Snacks/drinks to be consumed during breaks
- Desmos Calculator is embedded in the Bluebook app; however, a student can also choose to bring a College Board approved calculator. If a student needs a hand-held calculator, please contact the Campus Testing Coordinator.
- List of 4 colleges/scholarships to send scores
- Email address/mobile number (optional)
- Fully charged one-to-one device

Score Reports will only be available electronically to students through BigFuture and in the student's personal College Board account. Students completing assessments by March 14, 2026, will receive scores on April 2. Students completing assessments between March 15, 2026, and March 27, 2026, will receive scores on April 16. Students completing assessments between March 28, 2026, and April 10, 2026, will receive scores on April 30. Students completing assessments between April 11, 2026, and April 30, 2026, will receive scores on May 14.

If you have questions about taking the SAT School Day at your school, please contact your school's Campus Testing Coordinator.
