PARENT'S REQUEST FOR GIVING MEDICATION AT SCHOOL

I request that the school nurse or my agents (Principal/Designee) see that

_____receives this medication from _____ to
Student's Name Date

_____ at _____ for _____.
Date Time Reason for Medication

_____
Medication Dosage

This medication is furnished by me, and if it is prescription*, it is in its original pharmacy bottle, labeled with my child's name, prescription number, and identification of medication. If it is an over-the-counter medication, it is to be in its original container. The date, time given, and amount given should be entered above. School district personnel will not be responsible or liable for any reaction to medicines given according to the above direction. All medication will be kept in a locked cabinet in the nurse's office and dispensed from there. I understand it is my responsibility to monitor medication supply and provide additional medication when needed.

*If the medication is a sample given by the physician, please provide a signed note from the physician telling who the medication is for, the date, and instructions for giving the medication.

I understand that my child may receive medication administered by a nursing student, under the direct supervision of the school's nurse, and give my consent for this.
