IV. Discussion Items *(add items as needed)*

a. **2025-2030 Strategic Plan**: Ms. Momon highlighted how we were charged with making a draft of the strategic plan in the previous meeting, and how we are now charged with finalizing the strategic plan. In the last meeting, we reviewed our purposed mission and vision, reviewed our proposed goals, and strategic objectives for the 2025-2030 school years. Ms. Momon asked if we needed any further discussion for our strategic plan. We then voted to pass the plan.

b. **Strategic Plan Objectives Ranking:** Ms. Momon explained how we needed to rank our strategic plan objectives from highest to least high priority. The GO Team then presented a link for us each to order the priorities at Cascade Elementary School. Ms. Scott asked as we are ranking them we think about the purpose of us and the budget, and Ms. Momon clarified this was not yet about the budget; what is most important for us to meet our goals. The GO Team then spent time ranking the strategic plan objectives through a Google Form. Priorities are as follows:

1. Improve tier 1 instructional strategies in ELA & Mathematics.
2. To develop a thriving and active PTA program for our school.
3. Improve the percent of students achieving at the proficient and distinguished.
4. To develop a community framework to create a system of supports that is consistent, proactive, and clearly taches and reinforces expected behaviors in all school settings.
5. Improve early identification procedures for Tier 2 and above.
6. Focus on special education settings to improve academic conditions and proficiency levels for special education scholars.
7. Build teacher capacity using effective instructional coaching strategies.

8. Create a positive healthy school environment where students thrive, teachers enjoy coming to work, and the community trusts.
9. Increase the amount of certifications and endorsements among staff.
10. Increase exposure of extracurricular activities to cultivate the whole child.
11. Implement a mentorship program for teachers who are in need of additional support in multiple categories of instructional content.
12. Remain an IB authorized school

The GO Team then voted to approve the strategic rankings.

c. **Preparing for FY27 Budget Development:** The GO Team office is holding discussions for planning for the budge development. Ms. Momon showed us the upcoming allocations for the school year. Please see slide 15 in the presentation for the budget information. Overall, our budget is decreasing from the previous school year. Our per pupil spending is $22,560, however we are projected to have less pupils. There is a difference of $939,183 less than this year. We will take an action on the draft budget during the next GO Team meeting. The cluster superintendent will review, then HR staffing conferences will occur after. We will have a final GO Team approval meeting to then take a final vote on the budget before March 13th.

V. Information Items *(add items as needed)*

a. **Principal's Report** We took our mid-year assessment for our school. The results have shown that we have high growth and high achievement in reading and math.

b. **Cluster Advisory Report** The next cluster advisory meeting will be February 10th, and Ms. Joiner will report on the February 11th meeting.

VI. Announcements GO Team members must register to attend the budget meeting.
