STATE COMPENSATORY EDUCATION

Under Section 29.081 of the Texas Education Code (TEC), compensatory education is defined in law as programs and/or services designed to supplement the regular education program for students identified as at risk of dropping out of school. The purpose is to increase academic achievement and reduce the drop out rate of these students.

What are the state eligibility criteria for identifying students at risk of dropping out of school?

A student at risk of dropping out of school includes each student who is under 21 years of age and who:

- is in prekindergarten, kindergarten or grade 1, 2, 3, 4, 5, or 6 and did not perform satisfactorily on a readiness test or assessment instrument administered during the current school year;
- is in grade 7, 8, 9, 10, 11, or 12 and did not maintain an average equivalent to 70 on a scale of 100 in two or more subjects in the foundation curriculum during a semester in the preceding or current school year or is not maintaining such an average in two or more subjects in the foundation curriculum in the current semester;
- was not advanced from one grade level to the next for one or more school years;
- did not perform satisfactorily on an assessment instrument administered to the student under Subchapter B, Chapter 39, **and** who has not in the previous or current school year subsequently performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument;
- is pregnant or is a parent;
- has been placed in an alternative education program in accordance with Section 37.006 during the preceding or current school year;
- has been expelled in accordance with Section 37.007 during the preceding or current school year;
- is currently on parole, probation, deferred prosecution, or other conditional release;
- was previously reported through the Public Education Information Management System (PEIMS) to have dropped out of school;
- is a student of limited English proficiency, as defined by Section 29.052;
- is in the custody or care of the Department of Protective and Regulatory Services or has, during the current school year, been referred to the department by a school official, officer of the juvenile court, or law enforcement official;
- is homeless, as defined by 42 U.S.C. Section 11302, and its subsequent amendments; or
- resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility, substance abuse treatment facility, emergency shelter, psychiatric hospital, halfway house, or foster group home.

Title I, Part A
School-wide Components

1. A comprehensive needs assessment of the entire school(including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school-wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.
5. Strategies to attract high-quality teachers to high-need schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

Wink-Loving ISD
Planning and Distribution Procedures

CNA and DIP/CIP Process: The District's planning process to improve student performance includes the development of the District's educational goals, the legal requirements for the District and campus improvement plans, all pertinent federal planning requirements, and administrative procedures.

Wink-Loving ISD engages with a variety of stakeholders in the development of the Comprehensive Needs Assessment and the District/Campus Improvement plan. This includes all ESSA programs. The stakeholders are involved through planning/committee meetings.

- Data Gathering: Wink-Loving ISD typically surveys stakeholders each spring for the Comprehensive Needs Assessment and input on the district improvement plan.
- Meetings: Wink-Loving ISD has at least two (2) district site-based meeting each year where input is gathered for our district improvement plan.
- Needs Assessment: After meetings with decision-makers, the needs assessment is summarized and incorporated within the District/Campus plan. After state assessment scores are made available, the District/Campus plans are further refined to include this data.
- District/Campus Plan: The D/CIP is developed based upon the strengths and weaknesses of the district/campuses. In the spring, a draft D/CIP is written to complete the ESSA Consolidated grant application for the following year. After state assessment scores are provided, the D/CIP has been refined accordingly.
