NEW YORK STATE EDUCATION DEPARTMENT

Statewide Assessment Webinar

Join us for a statewide webinar on how New York schools and districts can begin moving toward the NY Inspires vision today through the State's assessment strategy and aspirational goals.

- We will clarify what is available now, what is still under development (including rubrics and tools), and how districts can use today's guidance as a starting point while aligning and refining their systems as new materials are released in the coming months.

February 26th, 2026

3:00 PM - 4:00 PM

Registration Form for The Statewide Assessment Webinar
