Presentation
Local School Council Meeting components via ppt. "Corley Elementary: Local School Council Meeting, February 11, 2026.

- **Portrait of a Graduate**
  Mrs. Duckworth discussed the importance of the collaboration between Corley and the high school.

- **Enrollment Information**
  Ms. Duckworth reviewed the **School Data Profile** by presenting the following subgroups: Student Race/Ethnicity in comparison with the district. The data reflects that Corley's student population has a much larger Hispanic population compared to that of the district. 2024-2025 and 2025-2026 participation numbers were compared in the following programs: Free & Reduced, Gifted, ML, and Special Ed.

- **LSPI Goal Update**
  Mrs. Duckworth outlined the school wide focuses as it correlates directly to Corley's LSPI:
  - **Empathy 1.B – Staff and Student Wellbeing**
    - Elevating student voice
    - Student ownership
    - Being responsive to student requests
  - **Equity 2.A – Multi-tiered System of Supports**
    - Focus of High-Quality Tier 1 instruction
    - Targeted small group instruction.
    - Ongoing formative assessments
    - Progress monitoring
    - High leverage practice for multilingual learners
  - **Equity 2.B – Opportunity and Access**
    - Student opportunities in high quality instruction
    - Culturally relevant curriculum
    - Enrichment activities

- **Discipline Information**
