73rd Annual

WESTERN VIRGINIA REGIONAL SCIENCE FAIR

Presented by the AEP Foundation and hosted by Roanoke College

March 14, 2026 – Roanoke College

Students,
Congratulations on advancing on to the Western Virginia Regional Science Fair! The schedule, parking information and a map are provided below and on the reverse of this page. **You need to complete two steps to compete in the regional fair**:

- **Use the QR code to complete a brief confirmation form**
- **Log into Lab Rat by March 5 to update your abstract and confirm your category, title, and other information are accurate**. *Your abstract should be 250 words or fewer and should not include data tables*. You can update your project title until then, but no changes can be made after that date.

If you have any questions you, your teacher, or your parent can email mlevy@rvgs.k12.va.us for assistance.

WVRSF Website: www.rvgs.k12.va.us/western-virginia-regional-science-fair
