PAYING FOR CARE

Pay **online via credit/debit card** using e-funds (found on www.milanareaschools.org homepage), via **money order** or via **check payable to Milan Area Schools**. Skip fees and set up **bill pay via your personal bank**, which will typically mail a check directly to PECC at no cost to you. Tuition is due on the first business day of the month and is split between 9 equal payments.

Schedule changes/drops must be requested in writing to the office with **two-week notice**. Please see our Billing FAQ document for more information. Past due payments will result in being unenrolled from the program. Please contact the PECC Office if you are having difficulty paying.

FINANCIAL ASSISTANCE

There is a CDC/DHS subsidy that parents can apply for through the state of Michigan. Many eligible families use this benefit to help pay for childcare. Information and the application for child care assistance can be found at: https://www.michigan.gov/mdhhs/assistance-programs/child-care-assistance

There is a scholarship program that covers families in Washtenaw, Monroe, Livingston, Jackson, Lenawee, Hillsdale, and Branch counties at https://www.childcarenetwork.org/family-support-program. There is a list of eligibility requirements on the page, but all who need assistance are encouraged to apply.

Through Michigan's Great Start to Readiness Program (GSRP), we also offer **FREE, 5-days/week, full-day preschool** for eligible 4 year olds turning 4 by 12/1/26. Visit helpmegrowwashtenaw.org to see if you qualify! There is no income cap on universal, four year old preschool. Questions? Please reach out to earlychildhood@milanareaschools.org.

ANNUAL CALENDAR

PECC follows the **MAS District school calendar and closures**, including regular holidays/closures and Professional Development days (4 per year). See the MAS school calendar for more details at www.milanareaschools.org.

On **MAS District Half-Days,** tuition-classrooms continue to provide a child's current schedule of care, including full day. PECC follows the **MAS emergency closure schedule,** including snow days and unforeseen circumstances. Parents are credited for a child's scheduled days after **3 weather related / unforeseen event closures.**
