February 19, 2026

Dear Superintendents and BOCES directors,

Today we are sharing the following updates:

- Planned after-hours outage of some systems
- Second extension: 2026 Teaching and Learning Conditions Colorado (TLCC) survey deadline

Planned after-hours outage of some systems
Our single sign-on systems (including RANDA, GAINS, and UIP) will be offline for routine maintenance on Tuesday, Feb. 24. This planned outage will take place after business hours, and all systems will be online and operational by the morning of Wednesday, Feb. 25.

Second extension: 2026 Teaching and Learning Conditions Colorado (TLCC) survey deadline
Based on feedback from the field, the TLCC Survey deadline has been extended until March 9. We have created a communications toolkit to help you share the survey with your teams. If at least 50% of your staff participates, you will receive data reports on your results (here is the data dashboard from 2024).

Warm Regards,

Susana Córdova
