Graduation Requirements

How many credits are needed to graduate?

24

What courses are required for graduation?

- **4 credits of English**
- **4 credits of Math** (Algebra, Geometry, plus 2 more)
- **3 credits of Science** (Biology 1 plus 2 more)
- **3 credits Social Studies**
  World History, US History, Government & Economics.
- **0.5 Credit Personal Financial Literacy**
- **1 credit HOPE**
- **1 credit in a Fine/Performing Art or Career & Technical Ed**
- **7.5 Elective Credits**

What Grade Point Average (GPA) is needed for graduation?

2.0

on an unweighted 4.0 scale

REMEMBER…

Students MUST maintain a 2.0 GPA to also participate in activities and athletics.

What are the High School Testing Requirements?

- ✓**Pass the Grade 10 ELA Florida Assessment of Student Thinking (FAST)**
  - ✓Level 3 or higher, or
  - ✓A concordant score with SAT, ACT, or CLT

- ✓**Pass the Algebra 1 End of Course Exam**
  - ✓Level 3 or higher, or
  - ✓A comparative score on the SAT, ACT, PSAT-NMSQT, Geometry EOC, or CLT

What about EOC courses?

Algebra 1, Geometry, Biology, US History

- ✓ All End of Course Exams (EOCs) count 30% towards the final grade of a full credit course.
- ✓ Passing grades in all 4 quarters of an EOC course is **EXTREMELY** important!!!
- ✓ Remember that a passing score on the Algebra 1 EOC (or a comparative test score) is **MANDATORY** to receive a standard high school diploma

Are Volunteer Hours Required for Graduation?

NO

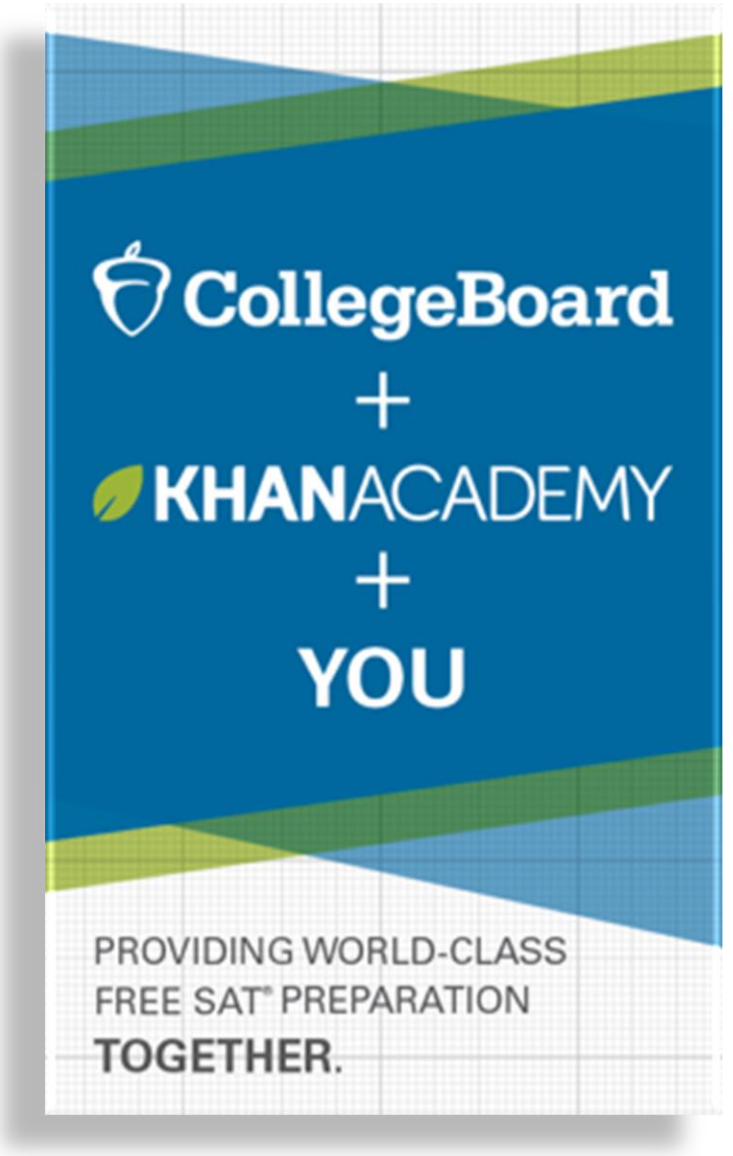
Service hours, paid work hours, or a combination of both <u>are</u> required for Bright Futures. ($$$$)

High School Planning and Preparation

Tasks you can be working on right now!

PSAT 8/9

- The PSAT 8/9 measures the skills and knowledge (at the level of content and skill appropriate for eighth and ninth grades) that research shows are the most important for success in college and career.
- Review your student's PSAT 8/9 score report which clearly summarizes a student's current achievement levels and encourages next steps for academic progress
- These results will help identify your child's strengths (AP Potential) and areas to strengthen; additionally, these results will help you determine if your child is on track to meet graduation requirements



Your Four-Year Plan

- The 4-year plan is a long-term, structured high school plan which students will update each year to stay on track for graduation.

- The plan is specific and personal to your student and their goals.

Xello Course Planner (Four-Year High School Plan)

As a result of Senate Bill 240, all 8th-grade students will meet with their high school counselor in March to create their 9th-grade schedules. During this time, students will also begin their Four-Year Plan in Xello. This plan starts with their 9th-grade course selections and serves as a roadmap for all four years of high school. Students will revisit and update their plan each year as their goals and interests evolve.

Who can help you navigate your 4 years at NHS?

NHS SCHOOL COUSELORS

- Ella Fravel
- Kristen Gauly, Department Chair
- Tasha Maisano
- Lindsay Ross

Advanced Studies Opportunities

Advanced Studies

- ✓Advanced International Certificate of Education (AICE) = grades 9-12
- ✓ Advanced Placement (AP) = grades 9-12
- ✓ Dual Enrollment (DE) = grades 11 & 12

*AICE, AP, and DE are all “weighted” the same.

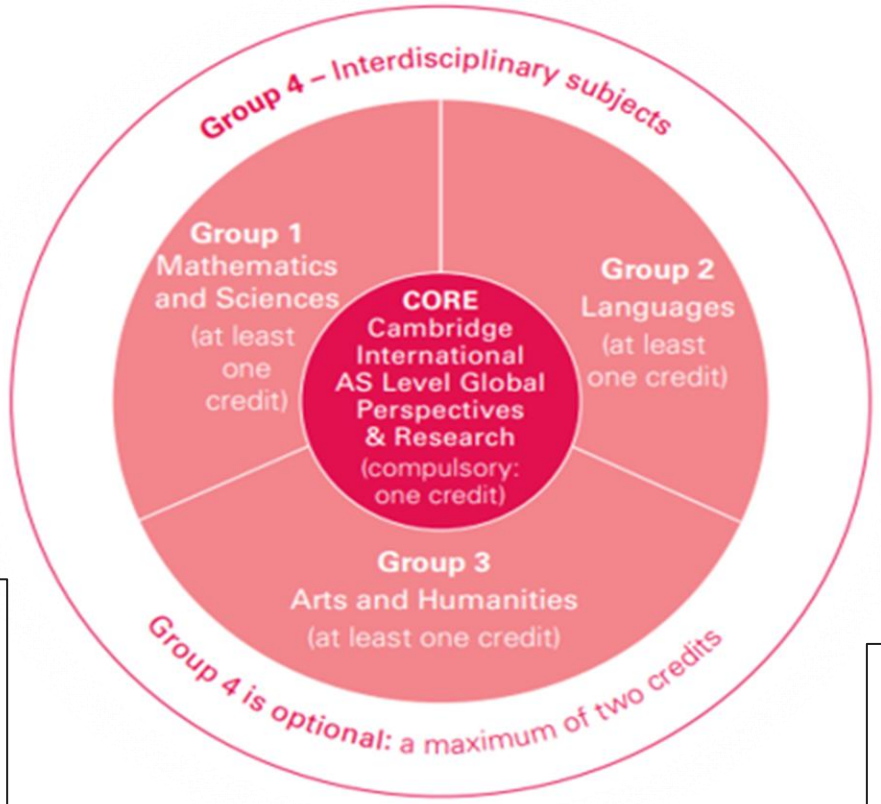
Benefits of AP and AICE Coursework

- ✓ Rigorous college level coursework- success with course work **and** exams are predictors of success in college.

- ✓ Exams passed (level 3 or higher for AP, level a-e for AICE) have the potential of earning college credit which can result in a significant savings of both tuition and time.

- ✓ Possible qualification for AICE Diploma or AP Capstone Diploma. (Tied to Bright Futures college tuition)

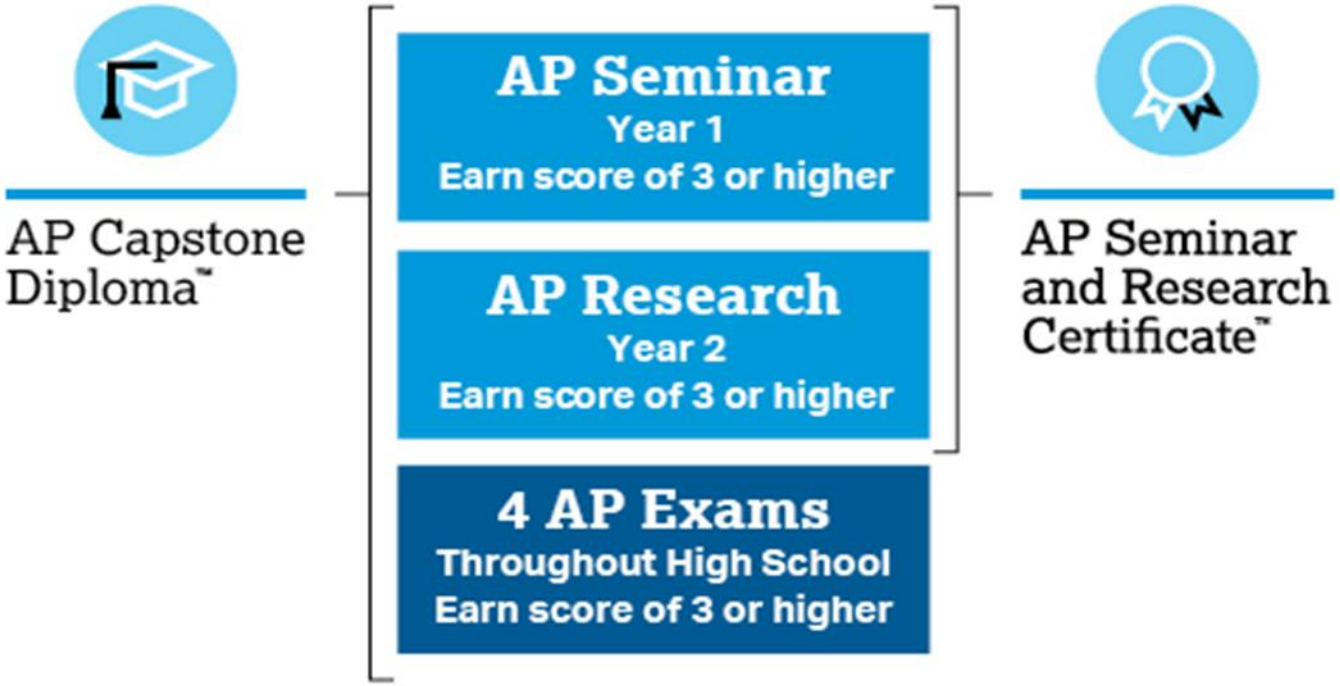
Cambridge AICE



Successful completion of the AICE Diploma: earning 7 credits (exams) along with 100 hours of approved community service qualifies students for the Bright Futures Academic Scholar (top level).

AICE Diploma candidates MUST complete all diploma requirements within 3 consecutive school years (25 calendar months from first exam to last exam).

AP Capstone Diploma



AP Seminar may be taken during the Sophomore or Junior year. It will consist of learning research and presentation skills and mini projects to develop those skills.

AP Research may be taken during the Junior or Senior year. It will consist of taking those skills developed in AP Seminar and expand them into a full research paper and presentation.

Bright Futures Capstone Diploma Class of 2030

- **Students who began high school during the 2025-2026 school year or thereafter can qualify for the Florida Academic Scholars (FAS) award by:**
  - **Completing 100 service or paid work hours and,**
  - **Receiving an AP Capstone Diploma, which a student must:**
    - Earn a score of 3 or higher on both AP Seminar and AP Research,
    - Earn a score of 3 or higher on **any three AP Exams that satisfy high school graduation requirements in English Language Arts, Mathematics, Science, Social Studies**
    - Earn a score of 3 or higher on **one** AP Exam in a subject of the student's choice

Dual Enrollment and Early Admission

Something to work towards!

- ✓Enrollment for grades 11 and 12
- ✓Eligibility requirements
  - ✓GPA 3.0, test scores, application
- ✓On-campus and off-campus options
  - ✓Virtual courses not recommended
- ✓College-level instruction
- ✓Grades part of college transcript

Career Dual Enrollment Opportunities

- ✓Career Dual Enrollment (CDE) allows juniors and seniors to take technical college courses and gain real-world career experience while still in high school.
- ✓Earn technical college credit.
- ✓Get a head start on a future career.
- ✓Save money on technical college tuition.
- ✓Gain valuable skills and Industry Certifications.

Career Dual Enrollment Opportunities

- ✓Stay on track to graduate.
  - ✓**Work with Your Counselor**: Ensure you're meeting all graduation requirements while also planning for dual enrollment. Your counselor can help you create a schedule that balances both.
  - ✓**Build Space for College Classes**: You'll need to set aside time in your schedule for the dual enrollment courses at the technical college, so it's essential to plan carefully.
- ✓Must have a 2.0 unweighted GPA.

LWTC Lorenzo Walker Technical College

iTECH Immokalee Technical COLLEGE

CAREER

Career Dual Enrollment Opportunities

There are 21 CDE programs. Below are some of the most popular.

- ✓ **Healthcare:** Practical Nursing, CNA, Medical Assisting, Pharmacy Tech, Veterinary Assisting
- ✓ **Trade and Skilled Professions:** Automotive, Aviation, Marine Mechanics, Construction, HVAC, Welding
- ✓ **Computer & Business:** Accounting, Cybersecurity, Digital Media/Multimedia Design

CAREER

Academies

at Naples High

Engineering & Trades

Health Sciences

Arts & Technology

Entrepreneurship

What is a Career Academy?

- ✓Small learning communities within a high school that focus on career preparation
- ✓Raise student ambitions, increase career options, and provide a meaningful learning context for both college and non-college-bound students
- ✓Provide opportunities to earn valuable Industry Certifications, College Credits and Florida Bright Futures Gold Seal CAPE or Vocational Scholarships to save money while pursuing an Associates in Science Degree

Engineering & Trades

- Additional Credit/Experience
  - Honors Weight
  - College Credit
  - Fine Arts (IED)
  - Industry Certifications
    - Autodesk Inventor
    - Autodesk Revit
      - Worth 1 non-EOC Math/Science credit

AUTODESK® INVENTOR®

AUTODESK® REVIT®

AUTODESK® FUSION 360™

- **Academy Courses:**
  - **Intro to Engineering Design (IED)**
    - Students dig deep into the engineering design process, applying math, science, and engineering standards to hands-on projects like designing a new toy or improving an existing product.
  - **Computer Integrated Manufacturing (CIM)**
    - Students discover and explore manufacturing processes, product design, robotics, and automation, and then apply what they have learned to design solutions for real-world manufacturing problems.
  - **Principles of Engineering (POE)**
    - Students explore a broad range of engineering topics including mechanisms, strength of structure and materials, and automation, and then apply what they know to take on challenges like designing a self- powered car.
  - **Civil Engineering & Architecture (CEA)**
    - Students learn important aspects of building and site design and development, and then they apply what they know to design residential and commercial buildings.
  - **Aerospace Engineering (AE)**
    - Students explore the physics of flight and bring what they are learning to life through hands-on projects like designing a glider and creating a program for an autonomous space rover.

Health Sciences

Includes 4 Consecutive Years of Science!

- Principles of Biomedical Science (PBS) (Year One)
- Human Body Systems “HBS” (Year Two)
- Medical Interventions “MI” (Year Three)

Health Sciences

“Biomedical Science students are taking on the same real-world challenges as biomedical science professionals are tackling today – and they’re doing it before they even graduate from high school. Working with the same tools used by professionals in hospitals and labs, students engage in compelling, hands-on activities and work together to find solutions to problems. Students take from the courses in-demand knowledge and skills they will use in high school and for the rest of their lives, on any career path they take.”

Arts & Technology

Courses

- Digital Information Technology
- Digital Design
- TV/Media Production 1

Entrepreneurship

Courses

- Business Ownership
- Accounting App 1

Performing and Fine Arts

All music and art classes!

Band – Marching, Jazz, Concert

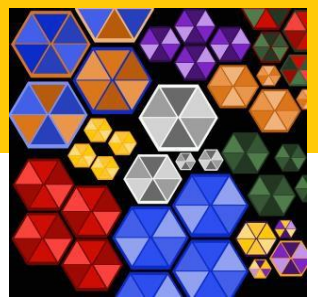
Choir & Orchestra

Band, Chorus, & Orchestra

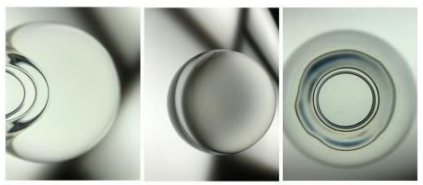
- Band, Chorus, & Orchestra are year-long courses – encompasses all seasons

- Band, Chorus, & Orchestra are co-curricular – earn a grade & outside of the classroom requirements (rehearsals/performances)

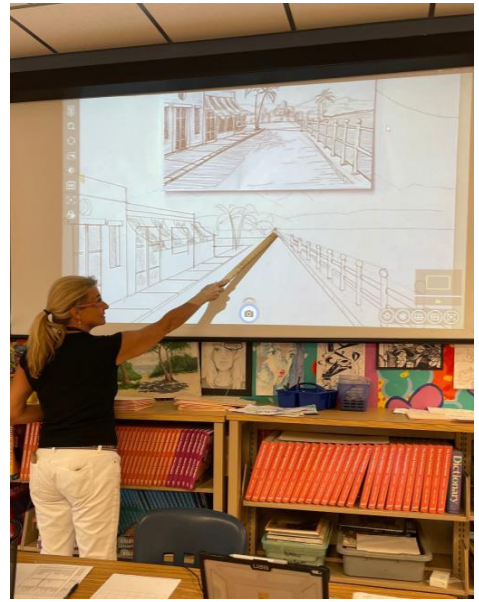
Ceramics



Digital Art



Creative Photography



Drawing

ESE Department

Missy Behan
&
Sandra Kasetaite
ESE Program Specialist

Student Records

ESE Office

- All CCPS school records transfer with the student (IEPs, 504s, EPs)
- Parents of students **new to CCPS** should notify the ESE office if their child had any active plans (IEP, 504, or EP) at their last school

ACCELERATION OPPORTUNITIES!

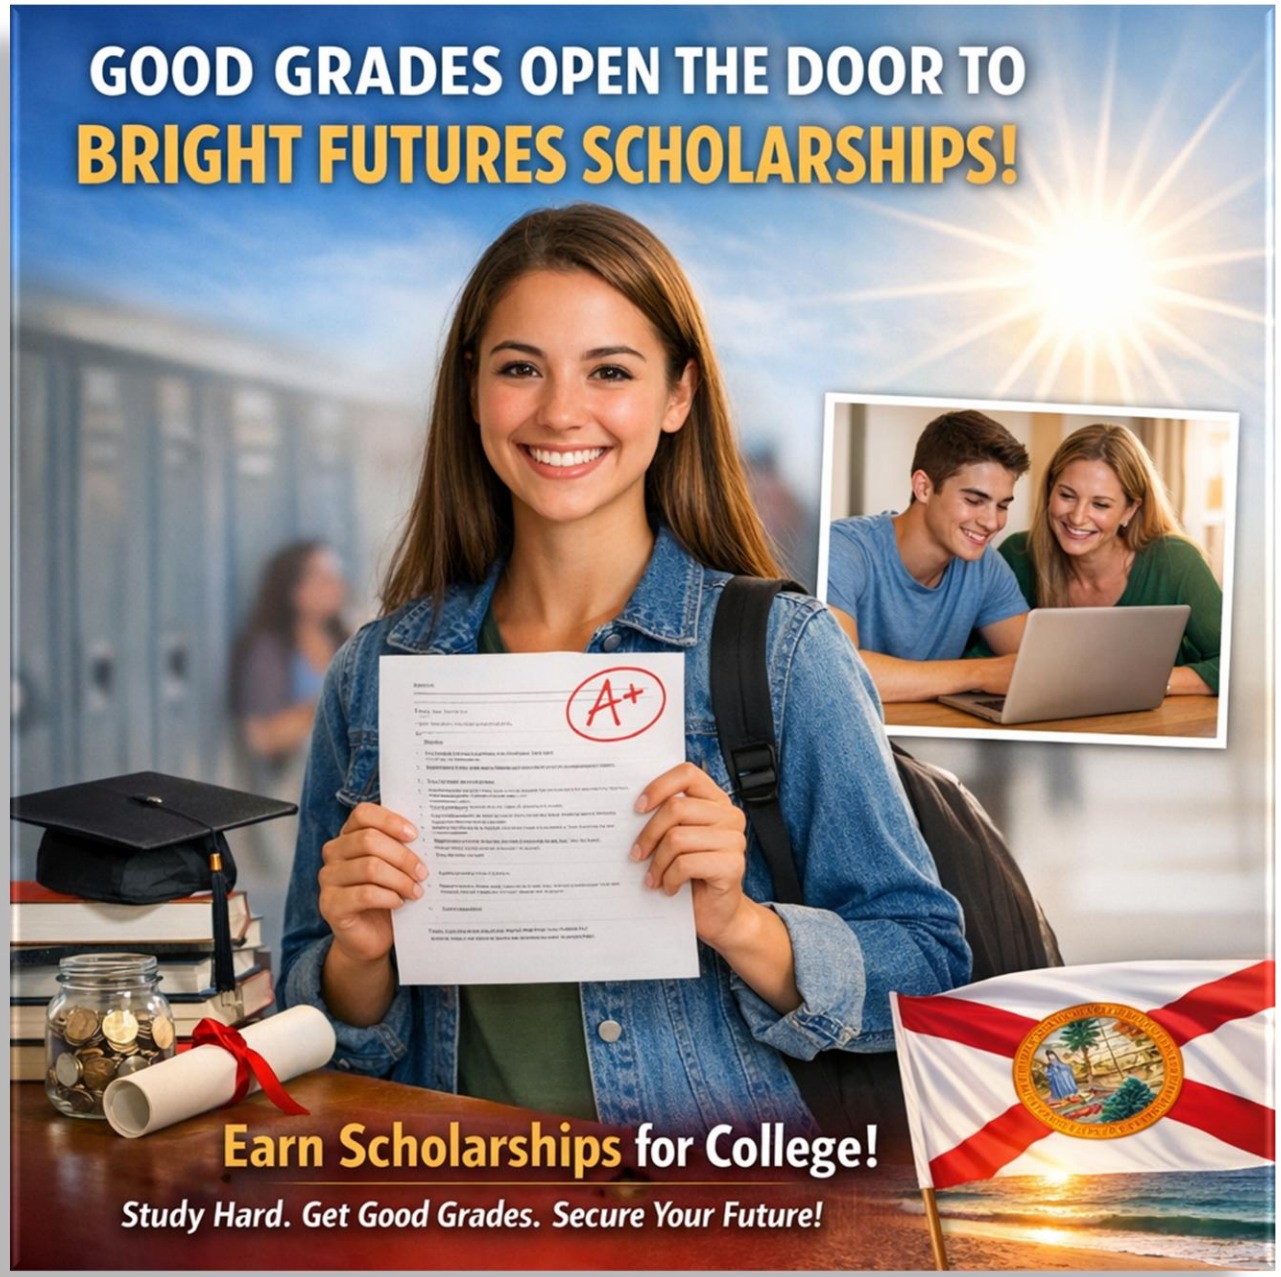
Get ahead of the rest!

College and/or Career Ready

- It is the expectation that each student is college/career ready by earning an **acceleration point.** This can be done one of four ways:
  - Score a level 3 or higher on an AP Exam & pass the class
  - Earn a passing score an AICE Exam & pass the class
  - Earn a passing score on an Industry Certification Exam
  - Pass a Dual Enrollment Course
- What is your student's plan for an acceleration point? What path will he/she take?
- **Why earn an acceleration?**

It means you've passed some type of exam or certification that makes you more prepared for life after high school!

Want Money for College? Start planning now!



GOOD GRADES OPEN THE DOOR TO
BRIGHT FUTURES SCHOLARSHIPS!
A+
Earn Scholarships for College!
Study Hard. Get Good Grades. Secure Your Future!

Bright Futures

The **Florida Bright Futures Program**, funded by the state of Florida, provides scholarships based on high school academic achievement. The program has different award levels, each with its own eligibility criteria and award amounts.

Bright Futures

The **Florida Bright Futures Program**, funded by the state of Florida, provides scholarships based on high school academic achievement. The program has different award levels, each with its own eligibility criteria and award amounts.

Type	16 High School Course Credits [1]	High School Weighted Bright Futures GPA	College Entrance Exams by High School Graduation Year (ACT®/CLT®/SAT®)	Volunteer Service Only	Paid Work Hours Only	Combination of Volunteer/ Paid Hours
FAS	4 - English *(three must include substantial writing)* 4 - Mathematics *(at or above the Algebra I level)* 3 - Natural Science *(two must have substantial laboratory)* 3 - Social Science 2 - Foreign/World Language *(sequential, in same language)*	3.50	2025-26 Graduates[2]: 29/95/1330 2026-27 Graduates[3]: 29/95/1330	100 hours	100 hours	100 hours

Bright Futures- Vocational Pathways

Florida Gold Seal Vocational Scholarship (GSV)

Exam Type	Sub-test	Required Score
ACT®	Reading	19
	English	17
	Mathematics	19
SAT® (March 1, 2024, and thereafter)	Critical Reading or Evidence-Based Reading and Writing	490
	Mathematics	480
SAT® (Prior to March 1, 2024)	Reading Test	24
	Writing and Language Test	25
	Math Test	24
PERT (Only applies to the GSV Scholarship)	Reading	106
	Writing	103
	Mathematics	114

Earn a minimum of five postsecondary credit hours through CAPE industry certifications that are articulated for college credit.

Complete 75 volunteer service hours, 100 paid work hours, or the combination of both for 100 total hours.

Florida Gold Seal CAPE Scholarship Program

Post-Secondary Pathways

Post-Secondary Pathways

- **Four-Year College** (University of Florida, Florida State)
- **Two-Year College** (Florida Southwestern, Valencia)
- **Technical College** (LWTC, iTech)
- **Military** (ROTC, attend academy or enlist)
- **Workforce**

Post Secondary Planning Starts Now

Why It Matters

- Allows your child to choose high school courses that match their interest
- Ensures your child is prepared for advanced courses
- Ensures your child does not miss out on scholarship opportunities
- Planning keeps them on track for graduation

Get Involved!!!

What Sets Students Apart?

- Community Service
- Leadership
- Extracurricular Activities
- Athletics
- Special Talents & Interests
- Employment
- Standardized Tests

How to Get Involved

- 40+ clubs offered
- Meetings at lunch
- Students learn about clubs at Club Rush
- Great way to meet new people and get involved

Current Club Offerings

- Must maintain a minimum 2.0 GPA
- High level of work ethic and commitment
- Fall Sports begin before school!
- Paperwork submitted on Aktivate.com

Important Dates for Athletics and Activities

- Monday, March 30th -Cheerleading Tryouts Begin
- Monday, April 20th -8th Grade Football 20 Spring Practices Begin
- Saturday, May 30th -Free Sports Physicals at Naples High School
- Wednesday, July 22nd -Marching Band Activities Begin
- Monday, July 27th -First Official Practices for Fall Sports
- Saturday, September 26th -Homecoming Dance

Scan with your camera to visit the Spirit Shop for Golden Eagle Gear to be delivered to your home

Attendance

IT MATTERS!!!

High School Attendance Policy

- ✓All Collier County high schools have a “Loss of Credit” policy (AKA Credit Denial)
- ✓Students who exceed nine (9) or more absences per semester course, or 18 or more absences in a full-year course may lose credit for that course regardless of the final grade.
- ✓School start time 7:10 AM

The State of Florida Driver's License Law

- ✓Any student who misses 15 or more days in a 90-day period may lose their driving privileges until their attendance is corrected or until after their 18th birthday.
- ✓The State of Florida requires all school districts to report attendance violators to the Office of Motor Vehicles monthly.
- ✓The State of Florida and Collier County Public Schools are serious about your attendance, and you should be too.

Your grades matter.

Your driver's license matters.

YOUR ATTENDANCE MATTERS!!!

High School is right around the corner!

What can I do NOW to help my child have the best opportunity for success in high school?

- ✓Talk to your child's current teachers about what classes would be appropriate for him/her in high school.
- ✓Talk with your child about his/her interests and career goals.
- ✓Make sure to attend all parent/curriculum nights offered by the high schools.
- ✓Become/stay involved – SAC, ABC, Volunteer Opps, etc

CCPS

COLLIER COUNTY PUBLIC SCHOOLS

THANK YOU
Class of 2030
Parent Information Night

Thank you for coming!

- Please visit the gym to learn more about sports, clubs, activities, and elective classes

- Visit the Pro-Shop for Naples High Spirit Gear – located right behind us in the cafeteria!
