Advanced Placement vs Dual Enrollment

	Advanced Placement	Dual Enrollment
Description	Students take college-level courses and exams. College credit can be earned if exam scores are level 3 or higher.	Dual Enrollment allows students to earn high school credit and college credit.
Instructors	Taught by certified teachers at Bishop Verot high school. Course work is audited and approved by the College Board.	Taught by college professors.
College Acceptance	Credit is applied by colleges/universities across and outside the United States. Credits are applied differently by institutions. Refer to the AP Credit Policy to see what scores are needed at different colleges/universities: https://apstudents.collegeboard.org/getting-credit-placement/search-policies	Postsecondary courses taken through dual enrollment will transfer to any Florida public college or university offering that statewide course number. However, if students do not attend the same college or university where they earned the dual enrollment credit, the application of transfer credit to general education, prerequisite and degree programs may vary at the receiving institution if the course is not offered by the receiving institution. Florida private institutions look at individual courses to decide if/how the credits transfer. Out of state schools vary in their acceptance of dual enrollment courses. Check with your intended institution to inquire whether dual enrollment credit will be accepted.
