Hayfield Community Schools, ISD No. 0203
Testing Calendar

Date(s)	Assessment	Grade Level	Reason for Assessment
TBD	ACCUPLACER	10-12	National assessment (College). Used as part of an admission requirement for Riverland (CIS courses). It measures academic skills in reading, sentence skills and math. [60-minutes]
Fall, Winter, Spring	FastBridge	K-5	National assessment (Local). The results provide teachers information needed to improve teaching and learning. The data collected in reading and mathematics can be used to target instructional strategies towards the achievement of state standards. [60-minutes]
Fall, Winter, Spring	iReady Diagnostic	K-6	National assessment (Local). The results provide teachers information needed to improve teaching and learning. The data collected in mathematics can be used to target instructional strategies towards the achievement of state standards. [60-minutes]
Fall, Winter, Spring	CAPTI	4-12	National assessment (Local). The results provide teachers information needed to improve teaching and learning. The data collected in reading can be used to target instructional strategies towards the achievement of state standards. [60-minutes]
November	ASVAB	11	National assessment (Local). The ASVAB is provided through the Department of Defense, and can be used in multiple ways. The results help students interpret their strengths from the interest inventory and to identify areas where they may have an aptitude. Some students will also use the program results to provide focus for their college major. [90-minutes]
January	1st Semester Finals	6-12	Teacher assessment (Local). Used to determine if students understood key concepts of knowledge and processes explored during the semester. [Varies by grade]
January - March	ACCESS and Alternative ACCESS	K-12	State assessment (State). Administered to English learners in order to measure progress toward meeting Minnesota's standards for English language development
March - May	MCA Reading and Mathematics	3-8 & 10-11	State assessment (State). Used to determine if students have mastered the state reading and mathematics standards. It is also used to determine quality of education provided by the school. [180-minutes]
March - May	MTAS Reading, Mathematics and Science	3-8 & 10-11	State assessment (State). The MTAS is an alternative assessment for those students with the most significant cognitive disabilities. [120-minutes]
