School of Inquiry and Life Sciences at Asheville

2026-2027 Rising 9th Grade Registration Form

Student Name:

Directions for 9th Grade Registration Form: *Courses with green checks are required for ALL SILSA 9th grade students.*

- ✔ Access the SILSA Course Catalog online to read a description of the courses you would like to take in 9th grade.
- ✔ Please make **8** total selections and write in **4** alternates (do not write in a foreign language or another core subject like an additional math or science). Students can request a foreign language once upperclassmen are placed (start of the school year).
- ✔ *Failure to participate in registration will result in course placement based on teacher recommendations and available electives.*
- ✔ Please note alternates could be scheduled as a primary course so please make sure all electives selected are courses you have an interest in or would like to learn more about.

Once finalized, return this document to the school in person, by mail, or by email (pamela.washington@acsgmail.net).

Note: Classes with a * have a prerequisite. Please check the course catalog for full course descriptions.
