COMMENT
proposal meets all requirements

[redacted] 70 %
COMMENT
4-6 week implementation timeline, offline capability, PS API, meets most stated requirements, no Apple Pay at this time, communication from online payment system a concern

Quality of the proposal including preparation, thoroughness, and responsiveness to the RFP requirements.

[redacted] 90 %

COMMENT

Well written proposal that covers the major items we are looking for.

[redacted] 80 %

COMMENT

This proposal does indicate that they are a Powerschool partner, would like to see demonstration.

complete proposal

[redacted] 70 %

COMMENT

answers for each requirement

Offeror capabilities, financial stability, support infrastructure, and staff experience/certifications.

[redacted] 80 %

COMMENT

Staff information shown.

[redacted] 80 %

COMMENT

One concerning issue is that this is a DBA from another company, although references and structure seems solid.

COMMENT

provided

The best interest of BCSD.

[redacted] 80 %

COMMENT

Meets requirements needed. Seems to be a newer company.

[redacted] 80 %

COMMENT

I think this RFP would be beneficial to BCSD

[redacted] 75 %

COMMENT

I think it would be

[redacted] 85 %

COMMENT

Proposal checks all the boxes we are looking for.

[redacted] 70 %

COMMENT

partially bilingual only, no build a meal option

K12 customer references from prior installations where similar services have been provided.

[redacted] 75 %

COMMENT

References within proposal, but not by the client (summary of what they did for them). Most references are positive, but one mentions they need addional staff.

[redacted] 80 %

COMMENT

Want ot ensure the company would be able to handle the volume of our school student body
