Transforming lives through education

Ted Alejandre
County Superintendent

July 2, 2026 Bulletin No. 27-001

To: Chief Business Officials (K-12 Districts and ROPs)
San Bernardino County School Districts

Subject: **AB 2756 Reports Indicating Fiscal Distress**

Pursuant to AB 2756 (2004) and subsequent changes to EC §42127 (c)(2) and §42127.6(a)(1):

- The county superintendent of schools shall review and consider studies, reports, evaluations, or audits of the school district that were commissioned by the district, the county superintendent, the Superintendent, and state control agencies and that contain evidence that the school district is showing fiscal distress under the standards and criteria adopted in EC §33127 or that contain a finding by an external reviewer that the school district is at moderate or high risk of intervention, based on the most common indicators of a school district needing intervention, as determined by the County Office Fiscal Crisis and Management Assistance Team (FCMAT).

- A school district shall provide the county superintendent of schools with a copy of a study, report, evaluation, or audit that was commissioned by the district, the county superintendent, the Superintendent, and state control agencies that contains evidence that the school district is showing fiscal distress under the standards and criteria adopted in EC §33127, or a report on the school district by FCMAT or any regional team created pursuant to EC §42127.8(a).

If the district has any of the aforementioned reports, please submit the attached form and any prior year reports no later than September 30, 2026. Please submit any current year reports within ten (10) days of completion or receipt by the district.
