Important

Day Care Provider information must be updated at the beginning of each school year, as well as whenever there is a change of information. Students' pick-up and drop-off location will revert back to home location at the beginning of each new school year without a new provider form.

Day Care Provider must be within students' school attendance area.

The morning pick-up location may differ from the afternoon drop-off location; however, transportation must be consistent five days a week. Students cannot switch from one bus to another, i.e. Monday and Friday at one location and Tuesday and Thursday at another.
