This past weekend, more than 200 Archbishop Wood students gathered for one of the most inspiring events of our school year—Mini-THON! Together, they raised over $33,000 in support of families impacted by childhood cancer. This incredible achievement reflects not only the generosity of our students, but also their deep compassion and commitment to others.

Mini-THON is more than a fundraiser. It is a powerful reminder that when young people come together with purpose, compassion, and faith, they can make a real difference in the lives of others. Throughout the evening, our students demonstrated the very values we strive to cultivate at Archbishop Wood: sacrifice, leadership, and love for one another.

As a Catholic school, we are called to live our faith through action. By giving their time, energy, and resources, our students showed what it means to bring compassionate challenges, our students showed what it truly means to be missionary disciples.

Our school motto reminds us that "Faithfulness Merits the Crown." The dedication and generosity displayed at Mini-THON is a sign of this. As we celebrate this remarkable achievement, let us renew our commitment to serving others, they are living the mission of Archbishop Wood and showing that the Viking spirit is rooted in compassion and hope.

Congratulations and thank you to every student who participated, every volunteer who helped make the event possible, and everyone in our community who supported this effort. Your work is truly changing lives!

Parent Feedback Survey:

Each year, we invite our parents and families to share their perspectives through our Annual Survey. Your feedback plays an important role in helping us understand what is working well and what areas we may consider improving. The information we seek to strengthen our academic programs, student experience, and overall environment at Archbishop Wood, hearing directly from you helps guide our planning and decision-making. We encourage all parents to take a few minutes to complete the survey and share your honest thoughts. Your voice is valued, and your participation helps us continue building the best possible experience for our students and families.

Around Campus

Winthrop 2026 was historic in its fundraising efforts and we couldn't be more proud of all of our students who made this night come to fruition. A huge thank you goes out to Mrs. Amy Lally and the Winthrop committee members and chairpersons who worked tirelessly to make this event one of the most successful Winthrop in school history. Thanks for helping us to fight the fight against pediatric cancer.

AND THE FINAL TOTAL IS...

$33,106.79 !!!!!
