Dear Ms. Aiden,

Collectively, there are 175 invoices over the 3-year requested period for the vendors you mentioned. In accordance with S.C. Code Ann. 30-4-30(B), the BCSD estimates retrieval, and redaction, if necessary, of documents to respond to your request will require 8 hours, for an estimated cost of $425.44. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to the district's Chief Communication Officer, Candace Bruder's attention.

Hello Molly,

Apologies for the delay in response.

Thank you for your email and for providing the information regarding the Transparency Reports. I appreciate your efforts to help reduce costs and respond more efficiently.

After reviewing the reports, I would like to narrow down my request to the following vendors for which I would like to receive invoices and contracts: Center for Collaborative Expertise, AVID Center c/o Center for Comprehensive Online Education, Curriculum Associates, Amplify Education, Savvas, McGraw Hill, Imagine Learning, Benchmark Education Company, and Arizona Council for Exceptional Children.

Please let me know if you need any further clarification, and I look forward to your response.

Sincerely,
Aiden

Dear Ms. Aiden,

The district is in receipt of your March 18th 2026 FOIA Request. Fulfilling the full request as submitted would require several days, potentially up to a full week, resulting in a significant cost estimate to you as the requester in accordance with S.C. Code Ann. 30-4-30(B).

Much of the requested information is already publicly available on our website under the Transparency Reports section. To help us respond more efficiently and reduce costs, please review the reports and narrow down the specific vendors you would like us to produce invoices and contracts for.
