IV. **Discussion Items** *(add items as needed)*

A. **Budget Finalization Presentation**: Major change from last time is not receiving the $45,000 security grant from the district and school cannot cover it with current budget. Changing paraprofessional position to ISS monitor position instead. Did not receive funds like we did last year. Projected enrollment is 596 and 70% of $9.7 million budget is being spent on instruction/salaries of 50 individuals. Discussion questions are shared to engage the team in a discussion of the budget. Decline in enrollment, increase of salaries, loss of certain funding has had a major impact on our school budget.

B.

V. **Information Items** *(add items as needed)*

A. **Principal's Report-** 622 enrollment, 90.0 daily attendance, .56 suspension rate. If our SY27 enrollment is similar to what it is now we may get more funds.

i. **Cluster Advisory Team Report-** needs more feedback from the community. Need input about SPLOST as it relates to technology, operations/facilities. They also discussed strategic plans for the cluster as it relates to priorities, and strengthening them to ensure they are all aligned.

VI. **Announcements:** GO Team declarations are happening now until March 8th we have 2 staff and 2 parent vacancies to fill.

A. March 31, 2026 we will have a Cluster Title I Input Meeting at Young with our cluster schools.
