LEAD STL

LEADERSHIP. EMPATHY. ADVOCACY. DIVERSITY

CAMP LEAD

TUITION: $350/WEEK

We welcome students from all backgrounds.
Camp LEAD is open to rising 6th–8th graders for the 2026–2027 school year from schools across Missouri and Illinois.

More than a summer camp, it's a week of growth, connection, and fun, ideal for curious, open-minded youth ready to grow as leaders.

Camp LEAD builds confidence, cultural awareness, and leadership skills through hands-on workshops, creative projects, storytelling, and field trips, empowering youth to explore identity, express themselves through art, use their voice, and take action in their schools and communities.

LEAD STL is centered in the Black and Jewish experiences and their intersections with other identities, our approach builds empathy, leadership, and social and emotional skills needed to bridge divides. Through immersive learning and reflection, campers build the confidence to understand fairness, explore different perspectives, and engage in thoughtful, age-appropriate conversations about the world around them.
