Renaissance Elementary School
April SGC Summary of Action

April 20, 2026

During the April meeting, members confirmed that a quorum was present, with five of nine voting members in attendance. The council reviewed updates related to the upcoming SGC Parent and Teacher Elections, including the need to nominate representatives for the upcoming school year. Members discussed current vacancies, including teacher and parent representative seats, and noted that election links would be sent automatically during the election window.

The council reviewed highlights from the Spring Cross Council Retreat. Members discussed collaboration with other Zone 3 schools and shared ideas for strengthening strategic plan support and community engagement. Suggested next steps included increasing visibility through front office signage, bulletin boards, newsletters, event tables, and open communication around curriculum and school initiatives.

Updates from the Superintendent's Advisory Council were shared. Key topics included teacher and staff recognition through ThoughtExchange, continued opportunities for staff input, curriculum development feedback, increased transparency around technology and assessments, and anticipated cell phone legislation and enforcement considerations.

Members discussed Charter Dollar proposals and remaining funds of approximately $11,000. Proposed spending ideas included GMAS motivational trinkets for grades 3–5, PBIS and student engagement incentives, school beautification, AVID initiatives, student leadership recognition, book club support, science-related activities, and additional schoolwide engagement items. The council discussed moving forward with proposals that align with strategic plan goals, student motivation, and school culture.

The council also discussed next steps for council surveys and future planning. The meeting concluded with adjournment at 4:03 PM.
