Entry 6 – Enrollment & Retention

Completed - Jul 31 2025

Instructions

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2024-2025 toward meeting targets to attract and retain the enrollment of students with disabilities (SWD), English language learners (ELL), and students who are economically disadvantaged (ED). In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2025-2026.

Entry 6 – Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2024-2025	Describe Recruitment Plans in 2025-2026
Students with Disabilities	We make a clear statement in all communications sent to families that all students are encouraged to apply for the enrollment lottery, including students currently on or being evaluated for IEPs. During our outreach, we explain to potential parents the systems we have in place to guarantee their child is going to receive the full services required. We ran commercial ads on News12 and mobile ads.	We will continue our recruitment outreach plan, as done this year, and increase our social media presence.
English Language Learners	We continued our recruitment of ELL students by: -hosting information sessions in community centers, churches, and UPKs in targeted neighborhoods in the Bronx -distributing flyers through local businesses and apartment houses. We also provided our application in Spanish, which is the alternative language of the community. Additionally, we purchased local advertising space in Spanish printed publications. We ran commercial ads on News12 and mobile ads.	We will continue our recruitment outreach plan, as done this year, and increase our social media presence.
Economically Disadvantaged	This year, we continued our initiative by having information sessions in local daycare centers and preschools, whose population is predominantly economically disadvantaged, to establish and maintain a relationship with the parents and staff of these	We will continue our recruitment outreach plan, as done this year, and increase our social media presence.

	centers and expand the community's awareness of our school. These demonstrations were done both virtually and in person. We ran commercial ads on News12 and mobile ads.	

Good Faith Efforts To Meet Retention Targets

	Describe Retention Efforts in 2024-2025	Describe Retention Plans in 2025-2026
Students with Disabilities	Our school continues to develop strategies to meet the needs of its special education students. The guidance department has expanded in order to provide social and emotional support to students with behavioral challenges. In addition, we continue to partner with the community agencies that provide related services to our students. This school continued to engage parents in understanding their student's IEPs and advocate on their behalf. IEP meetings were held on a yearly basis and we continued to meet the needs of all students with IEPs.	We will continue our retention efforts, as done this year.
English Language Learners	We have appointed a Supervisor of Special Populations and an ELL Teacher to ensure that the needs of all ELL students are met. We ensured the academic needs of all students are met with support from our Academic Leaders and ELL teacher. We ensured that in addition to all requirements, ELL students receive adequate academic support from their classroom teachers. We continued to provide parents/guardians of ELL students avenues to provide feedback and express concerns through our conferences.	We will continue our retention efforts, as done this year.
Economically Disadvantaged	We offered a comprehensive student support program, which is staffed to provide services for the needs of our student	We will continue our retention efforts, as done this year.

	population (e.g. guidance counselors, and behavior consultants). We maintained a small-school environment with a "warm/strict school culture that offers students explicit instruction in positive character development, and clear and consistent behavioral expectations. We maintain frequent communication with parents about their child's development.	

Entry 7 – Employee Fingerprint Requirements Attestation

Completed - Jul 31 2025

Instructions

Required of ALL Charter Schools

Review and complete the Employee Fingerprint Requirements Attestation.

Entry 7 – Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools MUST ensure that all prospective employees[1] receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers**. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee.

Please note that all schools should maintain an electronic or hard copy of the clearance certification pulled from TEACH and dated PRIOR to the employee's start date. Clearance certifications pulled from TEACH at a later date will show that the staff member was cleared as of that date and may result in a finding of clearance violations against the school.

[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers**. See NYSED memorandum dated October 1, 2019 at NYSED CSO Employee Clearance and Fingerprint Memo or visit the NYSED website at Who Must Be Fingerprinted Charts for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at NYSED CSO Employee Clearance and Fingerprint Memo.

Attestation

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Entry 9 – School Calendar

Board of Regents-authorized charter schools are also required to submit **school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month**. **Schools must use a calendar format and ensure there is a monthly tally of instructional days**.

Charter schools serving elementary and secondary levels may submit one combined calendar showing instructional hours and days for all building levels OR separate calendars uploaded as one PDF. *Note that school calendars will also provide evidence of alignment for schools with extended days/years referenced in their mission statements or key design elements.*
