Our lives consist of a series of "de-fin-ing MOMENTS." This year marks one of those moments in the history of Saint John's Catholic Prep. The journey began for the school when St. John's Literary Institution opened in downtown Frederick, Maryland, in 1829. In 1958, the campus relocated, just a few miles away, to the historic Prospect Hall mansion. And on January 14, 2013, in the beautiful rural setting of Buckeystown, Maryland, the school began a new chapter in the school's 184 year old story. The school's name and location may have changed over the years, but so many important elements remain the same. Saint John's Catholic Prep has always been and will always be, a family, rooted in it's traditions and the teachings of the Catholic church. It is a community of faculty, administration, staff, alumni, coaches, parents, and most importantly, the STUDENTS, whose presence turns the walls and halls of a building into a school. High school is a time of learning and fun, growth and maturity. These are moments that define who you are and what you will become in life. Turn the pages of this yearbook and experience once again, the memories and the "de-fin-ing MOMENTS" of this amazing and exciting year at Saint John's Catholic Prep!

“Just making memories” is a quote we often hear. That could not be a truer statement, because this whole year has been just that, as we experienced "de-fin-ing MOMENTS" when we closed one door of our school's history and opened a new one. There were many celebrated moments this year and lots of “lasts” at Prospect Hall...our last home basketball game in McSherry Gymnasium, our last homeroom and the last liturgy. As we looked fondly on our time at the mansion, we grew in our excitement to begin making memories at our new home in Buckeystown. Although our location has changed, who we are as a school community will never change. The school is not just the building but the people inside of it. Our students continue to be our finest ambassadors and we believe as you look through this yearbook, you will see countless examples of how truly wonderful the students at Saint John's Catholic Prep are and what a joy it is to guide them on their journeys. Both Mr. Oliver and Mr. Cosentino feel privileged to be a part of the rich tradition of Saint John's and to be able to share in those "de-fin-ing MOMENTS" the students experience during their time at the school. We would like to thank Mrs. Corr and the entire yearbook staff for all of their creative energy and superior efforts, as well as their dedication in creating this excellent publication. To the underclassmen, make the most of these years in high school because they go by so quickly. And to the Class of 2013, we wish you continued success in college and beyond.

As we reflect on our time here at Saint John's Catholic Prep, we are reminded of the countless "de-fin-ing MOMENTS" that have shaped our lives and the entire student body's high school experience. Whether it be at the Prospect Hall mansion or the new campus in Buckeystown, this year was filled with incredible events and we tried our best to capture each one. Our hope is that as you look through this yearbook, it will bring back memories and will remind you of the moments that defined you and your time here with at Saint John's. We would like to thank the Publication's Class and especially Mrs. Corr for their unrelenting efforts and dedication that made this yearbook great! We hope that you will enjoy it now, and in the future it will bring back the memories of your high school days!

"friend requests" sent! Their enthusiasm continued throughout the year and the Class of 2016 made their presence known during Spirit Week, Halloween, on the fields and tracks and courts, in the classroom, on the stage and receiving honors and awards. This is an incredible group and will go down in history as the last class to begin high school at the Prospect Hall Mansion!

Leadership roles... driving... varsity sports... clubs... jobs... community service... difficult courses... SAT's... beginning the college search... friends... family... time-management... All of this while trying to enjoy their quickly moving teenage years. Some would crack under the pressure but not the Class of 2014! They formed strong bonds with their classmates, teachers and coaches that graduation will not destroy. The students at Saint John's Catholic Prep are enriched and inspired on a daily basis by the devoted teachers, administration and staff that make up the school community. They are taught lessons, not only to use in the classroom but in their everyday lives as well. The teachers encourage and motivate their students to do their very best. They push them to learn and stretch them to their academic limits but are always there to help those that need extra instruction. Realizing that they only have four, short years to prepare their students for college and beyond, the faculty and staff work with each person individually to see that they stay on the right track, both academically and socially. Those that have dedicated their professional lives to educating the students at Saint John's can easily be defined as being faithful, loyal, honest, sincere, firm, strong, effective, challenging, interactive, engaging, creative, involved, committed, patient, knowledgeable, positive, nurturing, creative, thoughtful, fun, flexible, passionate, caring, supportive, understanding, and unique. "It was a good season, saw new faces, and we were successful on and off the track."  
Daniel Mathewson

The Vikings' Outdoor Track and Field season saw improvements from every runner and broke some school records as well! They also really put the "Field" back into Track and Field. Christian Villarosa hit sophomore record marks in both the Triple Jump and Hurdles. And Eduardo Castro-Vidal won the Silver Medal at Conference Championships, setting a new SJCP school record in the Triple Jump. They also saw improvement in the Long Jump and the girls did incredibly well in Discus and Shot Put events. Overall, the team had tremendous growth and can be proud of their accomplishments individually and as a team!

The Saint John's Lady Vikings had an amazing season finishing with a record of 10-4. The team worked hard throughout the season and learned how to work as a team. As a sophomore, Kathryn Tighe led the team from the mound, pitching strikes under pressure. Alex Nigida, Abby Tighe, Molly Connole, and Joy Mancini made up a strong infield making crucial outs. Emily Nelson showed much improvement throughout her first season. Emma Davis was a rock behind the plate as catcher and a strong hitter. The ladies look forward to another successful season in 2013!

# vol-ley-ball

The Varsity Lady Vikings Volleyball team had an excellent season. Finishing the season with a 27-2 record, the 13 members of the team recorded all time highs in each of the statistics categories. Going into the season, many of the girls underestimated how good a season they could have, because 8 seniors graduated the year before. Adding pivotal players to the roster, attending camps, and improving their skills outside of the season showed just how much the girls wanted to win the championship this year. The JV team worked hard to master their skills and played at a competitive level. The Lady Vikings ended the season winning the IAAM C Division Championships defeating St. Timothy's. Next year we hope to continue the success we had this season.

## • Mc-Sher-ry Ma-ni-acs •

The McSherry Maniacs are a group of incredibly enthusiastic fans of Saint John's Catholic Prep basketball...sometimes referred to as the "6th man" on the team! Named after the McSherry family that gave the money to construct the gym at the Prospect Hall campus in 1958, this was once a strong and organized group of fans but over the years, it had fizzled out of existence. During the 2011-2012 season, students Brian Plamondon and Michael Corr saw that more energy, spirit and excitement needed to be injected into the games and brought back the McSherry Maniacs with a vengeance! So many students joined in the fun and the games were packed once again with screaming fans. Each game ushered in a new theme...camouflage...black-out... costumes... crazy hats...Hawaiian shirts... green and gold night, just to name a few! Chants, cheers and laughter filled the air as these teenagers cheered on their team...most of the time to victory! ## • Peer Ed-u-ca-tors •

The Peer Education Program at Saint John's is based on the premise that, for some lessons, students are more likely to listen to their peers than adults. The faculty and counselors selected a group of juniors and seniors who they think can communicate effectively to the freshmen students on such topics as peer pressure, time management, alcohol and drug use, and bullying.

The program began with an overnight retreat, just before the start of the school year, where the peer educators brainstormed some of the most pressing issues facing adolescents today and selected the topics they wished to teach to the freshmen later in the year. Throughout the fall, each 3-member team worked on their lesson, often in front of a faculty advisor who offered guidance and constructive criticism. The lessons were taught to the students during February and March. The freshmen were very receptive to their instruction and enjoyed hearing the advice and knowledge from the upperclassmen.

**we're mov-ing to Buck-eyes-town!**

For 184 years , Saint John's has been in existence as a Catholic school in Frederick County, Maryland. First located in downtown Frederick, the high school portion of the school was relocated to the historic Prospect Hill mansion in 1958. It was a fine location for many years but they outgrew the facility and so the school's journey would need to continue. After many years of hard work, on January 14, 2013, the school opened the doors at their new facility in Buckeystown. Teachers, students, staff, parents and alumni pitched in with the enormous move and now everyone is settling in and enjoying the new school... but the memories from the mansion will never be forgotten!

**noun**

1. a ceremony in which something, such as a building or church, is dedicated
2. an event at SJCP to dedicate and bless our new school facility

On Friday, February 22, 2013, the school held a Dedication Ceremony and blessing of the new Saint John's Catholic Prep building in Buckeystown. Archbishop William Lori, of the Archdiocese of Baltimore, presided at this monumental event that was years in the making. He said the new building is beautiful, and he congratulated everyone on "a really terrific accomplishment." Students, teachers and staff were in attendance as well as parents, alumni, past and present members of the Board of Trustees, school officials from the Archdiocese of Baltimore, donors, media, the Friends of Catholic Education, community and financial leaders, members of the Knights of Columbus and many priests and deacons from the area to take part in the celebration. Archbishop Lori performed a blessing with holy water on attendees and many areas of the school. It was an amazing day in the history of Saint John's!

Dear Maddie,

Over the years we have watched you grow into such a beautiful young lady. You are a joy to know and a privilege to be with. Always remember:

“When night falls on you  
You don't know what to do  
Nothin' you confess, could make me love you less  
I'll stand by you, Won't let nobody hurt you  
I'll stand by you”

Here's to you and the future! We are all so proud of you. I love you.

Love,  
Daddy, Heather, Teddy, Kyle Hannah, Habib & Kami

Hannah Kelly Kolobow

Dear Hannah,

These days are bittersweet as I watch you continue to blossom into the wonderfully vivacious and beautiful, young lady you have become. When you are off on your own, always remember my song for you that goes something like this...

“In my daughter's eyes, everyone is equal  
Darkness turns to light and the world is at peace.  
This miracle God gave to me gives me strength when I am weak  
I find reason to believe in my daughter's eyes.  
In my daughter's eyes, I can see the future  
A reflection of who I am and what will be  
Though she'll grow and someday leave, maybe raise a family  
When I'm gone I hope you'll see how happy she made me  
For I'll be there, in my daughter's eyes.”

From the day you were born, you always have exceeded anything I could ever wish for. Everyone is so proud of you and always remember that you are a privilege for anyone to know. I love you.

Love,  
Mommy, Haytham, Teddy, Kyle, Maddie, Habib & Kami
