Renaissance Elementary School
October SGC Summary of Action

**10/20/25**

During the meeting, members approved the October agenda and the previous month's meeting minutes. The council reviewed follow-up items from the September meeting, including Fall Cross Council support for strategic plans, council norms, the SGC website audit, and the council self-assessment. Members also completed another review of the SGC website to ensure compliance before the audit.

The council discussed strategic plan priorities, including integrating reading and writing with the new standards, inviting the School Community Council to extended learning opportunities, recognizing staff members, and collaborating with the attendance team to support students. Charter Dollar expenditure proposals were reviewed and approved as a starting framework for current spending. The approved allocations included $16,200 for field trips, $5,200 for after-school clubs and intramurals, $3,000 for PBIS rewards and celebrations, $2,000 for i-Ready incentives, $1,000 for campus beautification, and $2,600 for attendance incentives, totaling $30,000.

The principal's update included academic performance and school operations at the end of the first nine weeks, with the leadership team analyzing i-Ready and unit assessment data to support instruction. Updates were also shared regarding student and staff recognitions, Boo Week activities, staff appreciation, facilities improvements, staffing needs, the onboarding of Ms. Allen Lee as ELA Coach, and the pending approval of an additional Assistant Principal position. Enrollment growth was also discussed, as Renaissance Elementary has exceeded 850 students, and future program shifts or classroom expansions may be considered to address capacity concerns.

The council identified preliminary agenda items for the November meeting, including developing SGC initiatives to support the strategic plan, completing a final website compliance check for audit readiness, and reviewing October action items and updates. The meeting concluded with adjournment by Ms. Weaver.
