STAFF APPRECIATION WEEK
May 4-8

Teacher Appreciation Week is just around the corner! This special week gives us the opportunity to recognize and celebrate the dedication, passion, and hard work our teachers bring to the classroom each and every day.

Our teachers play a vital role in shaping the minds and futures of our students. Their commitment goes far beyond instruction-they inspire curiosity, foster confidence, and create a supportive environment where every child can grow.

To help make this week extra meaningful, we invite you and your child to participate in celebrating our teachers. Simple gestures such as a handwritten note, a drawing, or a kind message can go a long way in showing appreciation If you would like to contribute further, each teacher has created a list of their favorite things and it is posted right inside our front door.
