2026 Summer Program
Getting Ready for Grade 9

Getting Ready for Grade 9 is a summer learning opportunity designed to help students build confidence and skills before entering junior high school or Henry Ford II. Through engaging instruction, students will strengthen their math, reading, and writing skills needed to succeed in Grade 9 and beyond. Afternoon enrichment activities are available exclusively for students attending in-person morning classes. These sessions focus on interest-based learning, peer collaboration, and hands-on application of skills.
