

2023-2024 Parent Association

Exciting times lie ahead as we gear up for a school year filled with wonderful community events! But to truly make this year a resounding success, we can't do it without you. Your support is crucial!

At SEM, we believe in the power of collaboration between families and the school. There are numerous ways you can contribute to our collective efforts: by attending our Parent Association meetings, joining a committee, or even taking the lead in organizing an event. Every small effort makes a big difference.

Please take a moment to review our many opportunities to be involved and consider signing up to participate [here](#).

Let's make this school year truly memorable! Thank you for being a part of our wonderful community. If you have any questions or would like additional details, please reach out to Krissie Bonin at wdnboat@aol.com or Leah Kimmet at lkimmet@buffaloseminary.org
