New NJSA Members and Transfers:

HELP PROTECT YOUR MOST VALUABLE ASSET: YOUR INCOME

If you're a new School Administrator:

You can help protect your paycheck with our disability insurance plan. You'll be pleased to know these plans are issued by a name you know and trust—**The Prudential Insurance Company of America.**

If you're transferring from another district:

When you transfer from another New Jersey school district, you can transfer or change the coverage you already have in the New Jersey School Administrators Group Disability Program without answering any health questions if you act within 120 days.

Consider these important facts:

As a new School Administrator, you are just beginning to accrue sick leave—so ensuring that you receive an income if disabled is especially important.

- School employees are typically not covered by New Jersey State Temporary Disability.
- **Within the first 120 days*** of your employment, coverage is guaranteed—you can enroll without answering any health questions. (The plan's pre-existing condition exclusion will apply**)
- Pregnancy is a covered disability (subject to normal limitations and exclusions).
- Premiums are conveniently deducted from your paycheck.
