Prospect Hall

Our Sesquicentennial Year

TO THE CLASS OF 1980,

This marks the close of your high school life. On the other hand it marks the commencement, the beginning, of your journey into young adulthood. The years behind you have been filled with many experiences, happy and sad, but, hopefully, all of them learning years. You are the essence of the community of St. John's Literary Institution at Prospect Hall.

Although you leave the physical environs of your school, you remain and reflect that essence wherever you go and whatever you do. What you take with you when you leave is precisely what you put in while you were here. What you have put in has been considerable. It is the legacy you have left your underclassmen. It is immersed in the St. John's Literary Institution Community. Thank you and may God go with you on your commencement.

Stephen C. John

It is with heartfelt admiration and respect that the senior class and Reflection's Staff of 1980 dedicate this yearbook to Mr. Thomas Farrell. He is a man who truly cares about students and shares his wisdom with all. He has been devoted to helping us develop into good, fair-minded, intelligent, and moral citizens. What better tribute can be offered to a friend and teacher except to say that we have truly benefited from his caring and guidance.
