Principal's Welcome

Welcome to Hanford Adult School

Thank you for taking the opportunity to learn more about our school and programs. Adult education has been an integral part of our community since 1930.

Our vision is to provide educational opportunities and services which address the unique needs of each individual by offering academic and career-oriented classes, teaching the skills necessary to enhance life and participate effectively within the community and family. In order to live out this vision, Hanford Adult School provides strong academic and vocational educational programs.

To ensure that our students reach their full potential, we provide a variety of courses to meet the diverse needs of the community: English as a Second Language (ESL), High School Diploma (HSD) classes leading to a diploma, or High School Equivalency (HSE) classes in preparation for a GED. We also offer two Career Technical Education courses in the areas of Welding and Certified Nursing Assistant.

If you are seeking a school where the focus is individualized learning in small class settings, provided by knowledgeable, supportive teachers, in a safe and secure environment, then you will want to attend Hanford Adult School. Our classes are available both days and evenings through-out the school year, with both seat time and independent study options available. Please check our Facebook page, Twitter or website for ongoing updates regarding enrollment opportunities.

It is a privilege to be part of this learning community dedicated to serving students. Our first priority is helping you reach your educational, career, and personal goals.

Heather Keran

Uniform Complaint Procedure

The Governing Board of Trustees recognizes that the district is responsible for ensuring that it complies with state and federal laws and regulations governing educational programs. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on ethnic group identification, religion, age, gender, color or physical or mental disability in any program or activity that receives or benefits from state financial assistance. The district shall also follow uniform complaint procedures when addressing complaints alleging failure to comply with state or federal law in adult basic education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs. The Board encourages the early, informal resolution of complaints at the site level whenever possible. Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures. The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations. The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination or participation in complaint procedures. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

GED Testing

Hanford Adult School is proud to announce its return as a GED Testing Center. The GED Tests will be available to all community members in both **English** and **Spanish**! Hanford Adult School also offers **FREE** preparation courses to ensure student success. To sign up for preparation courses or receive more information regarding the test, please contact Student Services at 559-583-5905.

What is the GED Test?

The GED is a nationally recognized measure of high school knowledge and skills, giving you another opportunity for a high school credential.

Why take the GED Tests?

The GED Tests can help you move to the next level in college, technical training, or the workforce. More than 95% of U.S. employers, colleges, and universities will accept the GED Test as proof that you are ready for the challenges that lie ahead. You may even consider taking the GED test just to feel good about reaching a goal you have set for yourself.

Is the GED Available in multiple Languages?

Yes. The GED Test is available in English or Spanish

Assistance for Disabilities:

The GED Testing Program provides accommodation to candidates with disabilities and is committed to compliance with the requirements of the Americans with Disabilities Act. Accommodations can be made for candidates with diagnosed physical, mental, sensory, or learning disabilities who can provide appropriate documentation from a qualified professional. For more information, please call 1-877-392-6433 (1-877-EXAM-GED).

What you need to know. . .

To receive your GED Certification, you must pass all 4 test modules covering language arts, social studies, science, and mathematics. There are many resources available to help you study for the GED Test. One of those resources is Hanford Adult Schools GED Preparation courses. There is a $35 fee for each module. When you are ready to start the process toward earning your GED Certification, go to GED.com to set up a free account and get started. For more information, go to GED.com or call 1-877-392-6433.
