1. Narrative description of the Proposition 28 arts education programs funded (2500 character limit).

   Prop 28 Arts and Education Program provides critical funding to support arts education for alternative education, special education, and preschool aged students. Art education also emphasizes career readiness for students grades 7-12. By infusing arts education with career-minded learning, students gain exposure to creative industries and professional pathways, allowing them to connect their artistic talents with future career opportunities. Expanding arts education for students receiving special education services enhances communication, self expression and motor skills. Expanding arts for preschoolers through learning activities centered in the arts builds developmental skill building including: language and literacy, cognitive and social-emotional.
