AP Calculus BC
Summer Assignment
Osceola Fundamental High School

There is a summer assignment for the rising AP Calculus BC students. Please log into Khan Academy under Clever and enter the class code, **X99KNZR9**

.
I will monitor your scores and progress, but your summer assignment is the completion grade. You can start the summer assignment now, and it is due first day of school (August 11). Please email me (gipsong@pcsb.org) if you have any questions.
