MEALS ARE INTENDED TO BE CONSUMED BY CHILDREN.

Park sites this year are now considered Rural Non-Congregate sites and all meals may be taken off-site if desired. Additionally, all children will receive a shelf-stable breakfast for the following morning when they participate at the parks daily.

As such all guardians should understand and abide by the following attestation:

"I acknowledge that summer meals are intended for children under my guardianship. I will pick up and accept meals for children 18 years or younger. I will not accept more than one lunch and one breakfast per day for any child in my care including any meals being served at other sites under the USDA Child Nutrition Programs."

This program is operated by Southmoreland School District food services.
