ASVAB TEST

Fall 2026 ASVAB Dates TBA- See Ms. McKenzie if you have questions

- The ASVAB is the Armed Services Vocational Aptitude Battery.
- It is a free 3 hour standardized test. It measures a person's aptitude in four domains – Verbal, Math, Science & Technical, and Spatial.
- It has two main purposes –
  - Identifies students who are interested in joining the military.
  - Allows any student to receive career exploration tools.
- The career planning tools and resources are available to students after taking the ASVAB. This is the true advantage of program participation.
- The ASVAB does NOT mean you have to join the military. You can opt out of recruiter contact when you are given the test.

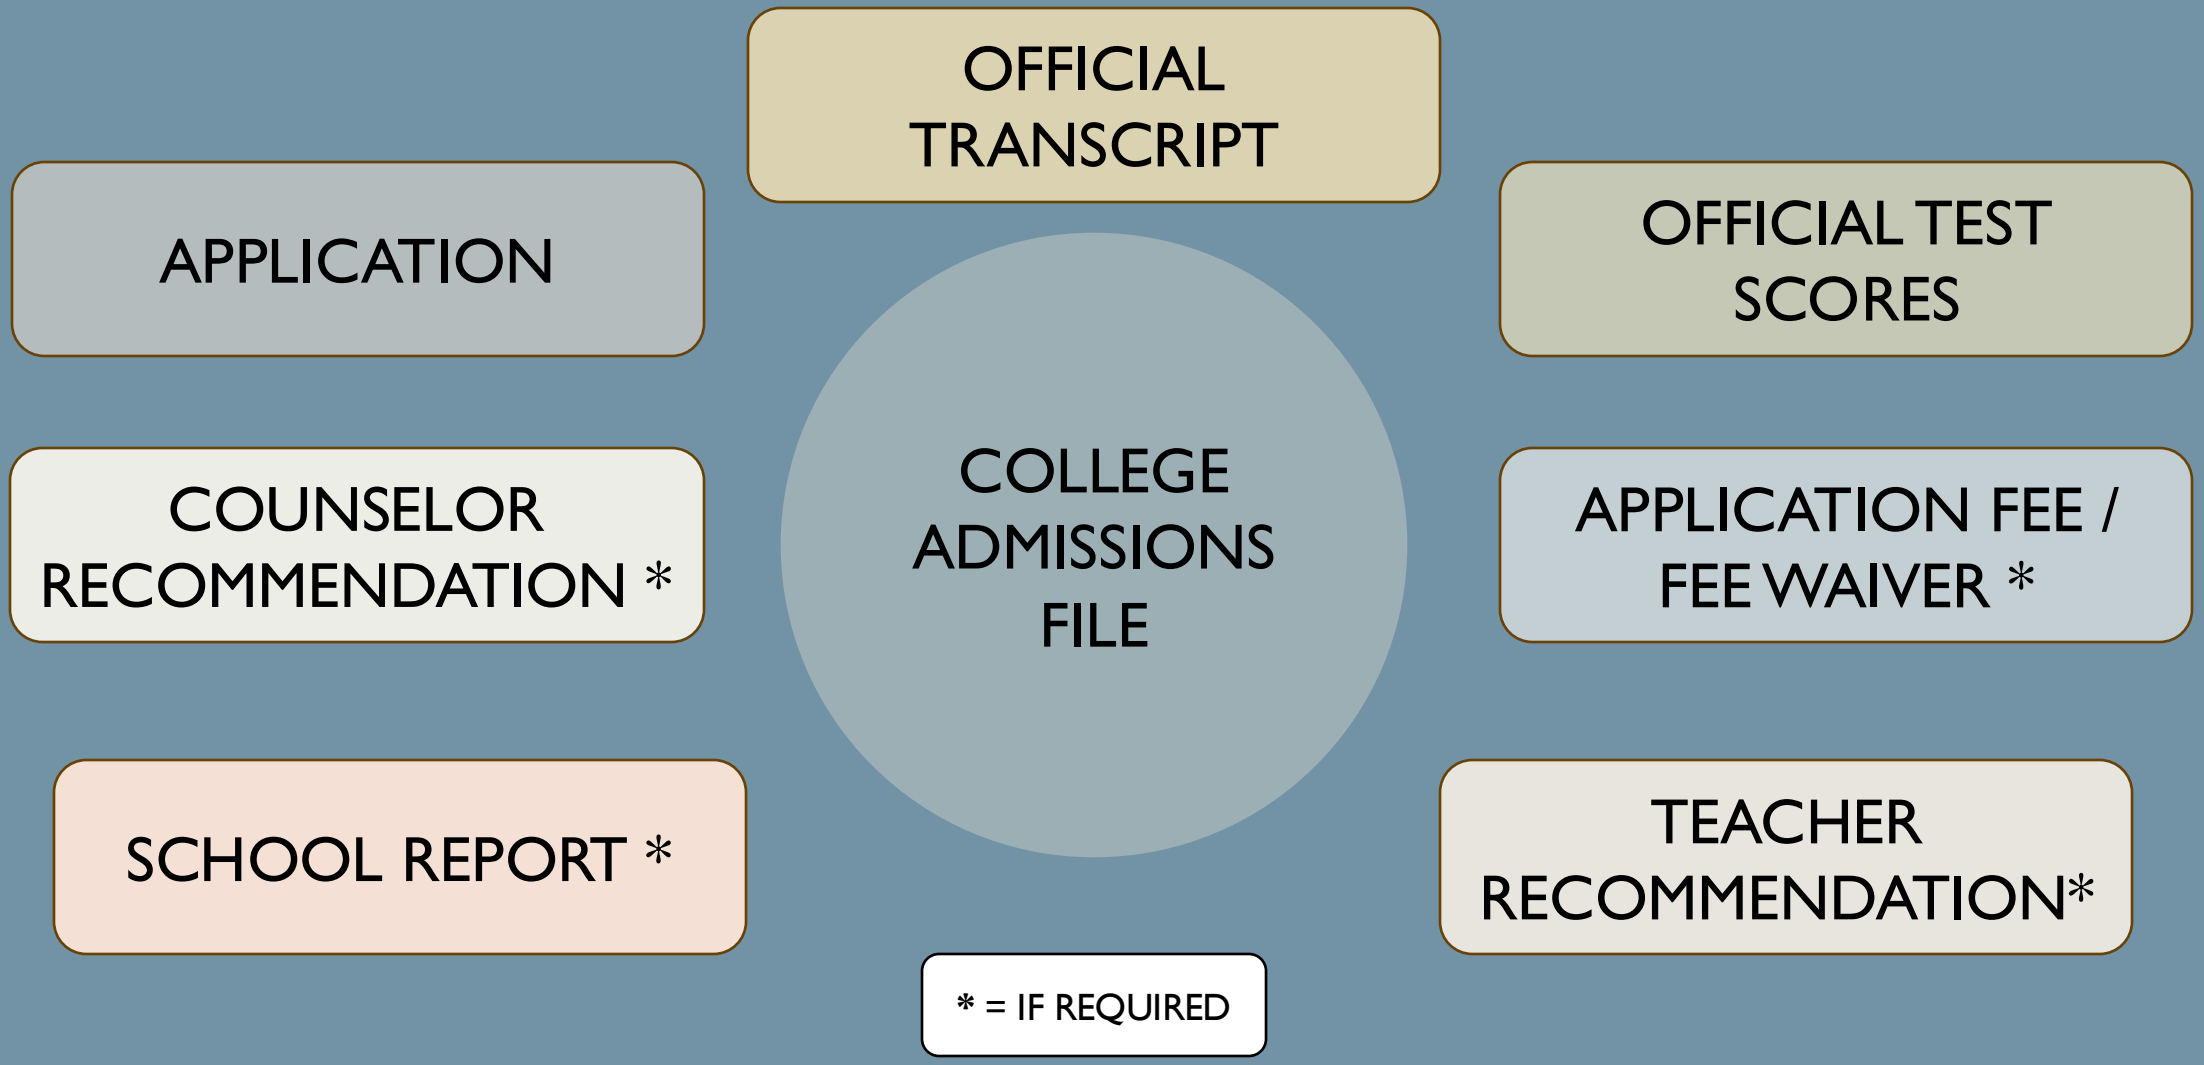
APPLYING TO COLLEGE

WHAT MAKES A COMPLETE ADMISSIONS FILE?



MOST USED APPLICATION PLATFORMS

Common Application – Free online platform that allows students to apply to colleges and universities worldwide. Over 1,000 colleges use Common Application as their application portal. Students can apply to up to 20 schools in Common Application.

Ga Futures – Many features, but one part of the website is being able to apply to colleges through their website. They have up to 75 colleges in Georgia as part of their portal. Sometimes redirected to Common App.

Common Black College Application – Unique to Historically Black Colleges & Universities (HBCUs). $20 to apply to multiple HBCUs at one time. Student list the top four choices but your application goes to over 50 member institutions. Many of the "big names" are not part of this application – such as Morehouse, Spelman, and Howard – those use Common App.

Direct to Institution College Portal – go directly to the college admission page and find the way the college prefers you apply. Look at their admission webpage, specifically – Freshman Admissions – for directions and a step by step guide.

TEST SCORES / TEST OPTIONAL

College Board

Website that houses the PSAT, SAT, and AP test scores. Students must officially request these documents to be sent to colleges, if required. There is a fee assessed for each report sent to a school. Students have "score choice" where the student decides what scores to send and to where. SAT Superscore FAQs

ACT

Students must officially request these documents to be sent to colleges, if required. There is a fee assessed for each report sent to a school. You cannot send only one section of your ACT score report to colleges. However, some colleges may superscore – which lets you choose your best section scores from multiple test dates. ACT Superscore FAQs Login to your MyACT account and select the "send your scores" option from the dashboard.

Test Optional

This is the best site for the list of schools who may exempt students from sending ACT/SAT test scores – www.fairtest.org

- All other transcript requests must be made through Scrib Order.
  - If a student is under 18, a parent will need to upload a copy of their identification to the portal.
  - If over 18, the student will need to upload a copy of their identification to the portal.
  - This is a free service to current students.
  - If you do not have a Social Security Number, then enter 0000.

Senior Brag Sheet is available on IA Student Canvas in the senior section. **COPY IN YOUR FOLDER but must submit in Canvas!**
- Almost all School Reports are completed through Common Application. Very few are done in other portals.
  - On the Common App college dashboard, choose one of the colleges that you added.

  - Then, add your school counselor to your portal.
  - This step is done one time and then automatically gets added for the other colleges.
  - REMOVE colleges if you decide not to apply.
- If using a different application portal, please add the counselor email into the website. Keep in mind that if you enter it incorrectly, we will not receive it. Sometimes it goes to our SPAM mail, so please follow up that we have received it.
- No letters are given directly to students.

OBTAINING TEACHER RECOMMENDATIONS

Teacher Recommendation Letters

- FIRST, find out if it is even required.
- Then, ask nicely ☺ Great Resource for HOW TO ASK here.
- Please know that if the teacher has already committed to several students, they may ask you to find another teacher.
- Most are completed electronically through Common Application.
- Typically, colleges are wanting letters from an academic subject area teacher.
- For EACH college in their dashboard, the student will need to add teachers to their recommender tab in the Common App.
- Each college will tell the student how many are required, optional, or none.
- If a college does not accept recommendations, you cannot send them.
- Teachers may ask for a copy of the student's senior brag sheet.
