P/F = Pass/Fail - Credit
VOF/VON–Virtual Learning Classes

Marquette High School, located in suburban St. Louis County, Missouri, is part of the Rockwood School District. Rockwood is one of St. Louis County's largest public school systems, serving more than 22,000 students districtwide. Other high schools in the district are Lafayette, Eureka, and Rockwood Summit, and all high schools in the district are A+ Certified. The Rockwood School District also enrolls students from St. Louis City through the Department of Educational Equity and Diversity Program. Rockwood, which is considered the premier school district in St. Louis County, has high student achievement, outstanding teachers and staff, and great community support. Our mission of doing whatever it takes to ensure all students realize their full potential is at the center of our work. ACCREDITATION: Rockwood is recognized for Distinction in Performance by the Missouri Department of Elementary and Secondary Education.

100+ sponsored student activities, clubs, and organizations with over 50% of students participating
Member of the Missouri Association for College Admission Counseling (MOACAC)
Member of the College Board
Special Olympics Unified Champion School

Academic Programming

Grade Point Average Calculation: GPA is based on grades earned in grades 9-12. We do not report class rank. All courses for which a student receives a grade are included. GPA is based on a 4.0 scale with an "A" worth 4 points. For weighted grade classes, an "A" is worth 5 points. Weighted grades are offered in various Honors, some Engineering, and all AP classes. Honors Courses: Some courses are distinguished as Honors due to the nature of instruction, but not all Honors course grades are weighted.

Class Schedule: Students are enrolled in 7 class periods. Academic Lab is conducted during the school day, typically twice a week, and students have the opportunity to access tutoring, touch base with teachers, make up missed work or assessments, attend club meetings, and/or choose from a variety of offered activities, including college rep visits. The Academic Lab is designed for students to have a choice in how to best achieve academic success and enrichment.

Alternative Credit Opportunities: Rockwood students can also elect to apply for alternative credit opportunities such as ECP (Early College Program), South Technical School (½ day programming), Spark! (immersion-based, community partnership), Summer Internship (an unpaid summer internship offered for credit to qualified students the summer leading up to senior year). **Dual Enrollment:** Eligible and approved students may take college-level courses through local community colleges and universities during the regular school day. **College Credit/Dual Credit:** Some courses are offered with the option for students to register to receive credit from a university with which the Rockwood School District has an articulation agreement.
