2nd ANNUAL STEAM NIGHT

Join us for an engaging evening at Hempstead UFSD STEAM Night 2026 as we celebrate student creativity, innovation, and achievement through hands-on learning experiences and interactive showcases. Students from across the district will present projects, demonstrations, and performances that highlight inquiry, problem-solving, collaboration, and creativity in Science, Technology, Engineering, the Arts, and Mathematics. Families are invited to explore interactive exhibits, participate in activities, connect with school and community partners, and experience the exciting learning opportunities taking place throughout our schools. STEAM Night is a meaningful opportunity to come together as a school community to support and celebrate student success.

2nd ANNUAL STEAM NIGHT
