Agenda

School Governance Council

Summary of Action

During the May 19, 2026 School Governance Council meeting at Wolf Creek Elementary, several key actions were completed to support school operations and planning. The meeting began with the approval of the agenda and the April 21 and April 30 meeting minutes, both of which passed unanimously. The council discussed and celebrated membership transitions, recognizing Mrs. Watson as a departing parent representative and welcoming Ms. Hood as a returning teacher representative and Mrs. Palmer as a new parent member for the 2026–2027 school year. The principal provided updates on staffing, noting that interviews for 3rd, 4th, and 5th grade positions were conducted with teacher panel involvement, and candidates have been selected and extended offers.

A major focus of the meeting was the allocation of remaining Charter Dollar funds totaling $3,525. The council approved using these funds for summer teacher training and planning, contingent upon district approval, which was later confirmed on May 20, 2026. A contingency plan had been established in case the expenditure was not approved, prioritizing window safety wrappings, library fees, and technology costs, though this was ultimately unnecessary. Additionally, council members were responsible for completing required governance surveys, including the Council Self-Assessment and Principal Feedback Survey individually, while the SY25–26 SGC Reflection Form was completed collaboratively during the meeting. The meeting concluded with a unanimous vote to adjourn, marking a productive session with clear decisions, full fund allocation, and preparation for the upcoming school year.

Meeting Norms: Silence Phones, Be Respectful of Others' Opinions, Work for the good of all Students
