

Summer Reading for Upcoming Fabulous First Graders

Families,

Summer is here! Reading is in the summer is very important. We have all worked so hard together to get your child reading where they are now. We are asking that every one of you take your child to a public library and get their very own library card. Please send us pictures of them checking out their first book and reading the books you all check out this summer. In addition to reading books, you are to take your 5K teacher along for some adventures. You will write about TWO of your summer adventures with your paper teacher doll. You will use the attached paper to complete the writing activity. You will turn in your two writing activites to your new fabulous first grade teacher. We pray that each of you have a very wonderful summer with your child. They are only this little ONE time. We are praying for you and can't wait to see you again. Please don't forget to send pictures this summer.

All our love,

Mrs. Allison and Ms. Janice
