

OPTIONS FOR HIGH-ABILITY LEARNERS

- The Student Handbook is a plethora of information regarding options for high-ability learners.
- Our district offers an intellectually gifted pull-out class for grades 2-8 (GEMS), dual credit classes, advanced placement classes, and a variety of courses like Spanish, chemistry, calculus, theatre, art, music, and digital media class.
- Spanish Club, Beta Club, FBLA, and Brave Voices are all clubs that compete in state-wide events.
- There are opportunities at the Tishomingo Career and Technical Center, and there are many opportunities for creativity, like creating videos, displaying art, and performing in plays.
- A county-wide chess tournament sponsored by the teachers of the gifted is held each year, and some schools have formed chess clubs.
