The TCSD Responsible Use Policy allows students to use technology inside and/or outside of the classroom. I have reviewed the TCSD Student Technology Handbook and understand the rules and guidelines including the Financial Terms of iPad Agreement - annual technology fee is \$20.00 and is non-refundable. ***Students WILL NOT be issued a device until this form has been signed and returned.***

Terms of Agreement

The student is responsible at all times for the care and appropriate use of technology. I understand if my student violates the guidelines agreed to in the TCSD Student Technology Handbook, his/her privilege to use technology may be restricted or removed and he/she may be subject to disciplinary action.

I understand that I may be held responsible for reimbursement for loss, damage, or repair of my student's mobile device, which may have occurred at school, at home, or while the mobile device was being transported. I understand that while in my student's possession, the student must abide by the district's acceptable use policy as described in the Technology Handbook.

The iPad remains the property of the District. In the incident that the assigned iPad listed below cannot be repaired, TCSD has the right to assign a replacement iPad. At the end of the school year or upon transfer from the District, parents and students agree to return the iPad to the District in the same condition it was issued to the student less reasonable wear.
