WESTCHESTER
COUNTRY DAY SCHOOL

Rising Second Grade Summer Reading

Dear Families,

This summer, we encourage you to keep the reading momentum going! The best way to do this with your student this summer is to engage them in as much choice as possible. Below are a few series that we will have in second grade that your student may love to read this summer! A trip to the public library to search for graphic novels, early reader's chapter books or beautiful picture books, is a perfect way to kick off this summer reading challenge!

Remember, the goal is to have fun and enjoy exciting reading opportunities together. Below, you will find a summer reading challenge log with a variety of topics that your student may wish to explore this summer. Did we miss some of your favorite topics? Feel free to add to this list.

Happy Reading!

-The Second Grade Dream Team

Rising Second Grade Reading Challenge

This summer, we encourage you to join in the Summer Reading Challenge!

Use this recording sheet to help keep track of the books you read. Bring it with you on the first day of school so we can celebrate your summer reading together. Happy Reading!
