A Residential Community of

JOB POSTING

Adjunct Science Instructor

Application Posting Date: 10/31/2023

Start Date: 1/23/2024 – 5/24/2024 (Spring Semester)

The Maine School of Science and Mathematics is seeking applications for an adjunct instructor to teach one section of Meteorology, or another physical science elective, during the spring, 2024, semester (Jan. 23 – May 23). The class is scheduled to meet 5 days per week, beginning at 1:30pm (55 minute classes on Monday, Tuesday, Thursday, Friday; 1 hour and 55 minute class on Wednesday), though offering the class in the evening on fewer days per week may be possible. A minimum of a Master's Degree in an appropriate science field, and previous teaching experience at either the secondary or post-secondary level, is required.

Interested candidates that meet the eligibility requirements listed above, should email/send the following to Tracy Moore at: employment@mssm.org with the Subject: Adjunct Science Instructor:

- MSSM Teaching Application (<https://www.mssm.org/about-mssm/employment-opportunities/teaching-application>)
- Curriculum Vitae/Resume
- Statement of Educational Philosophy
- 3 Letters of Recommendation
