Parent Right to Know Information as Required by The Elementary and Secondary Education Assistance (ESEA) [Section 1112(e)(1)(A)] and the Every Student Succeeds Act [Section 1112(e)(1)(A)]

Dear Parent(s)/Legal Guardian(s):

Your child attends Sellersville Elementary**,** which receives Federal Title I funds to assist students in meeting state achievement standards. Throughout the school year, we will be providing you with important information about this law and your child's education. This letter lets you know about your right to request information about the qualifications of the classroom staff working with your child.

At Sellersville Elementary, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications, certification and licensure requirements for the grade level and subject area he/she is teaching,
- Whether the teacher is teaching in the field of discipline for which the teacher is certified;
- Whether the teacher received an emergency or conditional certificate or other state waiver through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

You will also receive timely notification if your child is assigned to or taught for four (4) or more consecutive weeks by a teacher who does not meet applicable Pennsylvania state certification or licensure requirements for the grade level and subject area in which the teacher is assigned.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all our teachers and paraprofessionals meet applicable Pennsylvania state requirements.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact Mrs. Baker at Sellersville Elementary at 215-257-6591 or email me at sbaker@pennridge.org.

Sincerely,

Mrs. Baker
Principal

MISSION STATEMENT

It is paramount that our students graduate with knowledge of their talents, passions and what is necessary for them to remain life-long learners and productive citizens. These objectives need to be accomplished in a community-oriented environment that is safe, welcoming, nurturing, student-centered and respectful of all. As such, the mission of the Pennridge School District is as follows:

Pennridge School District strives to provide all students with a well-rounded educational experience where they acquire the 21st century skills necessary for a successful future.
