WORDS IN TRANSIT

NORWALK Transit District

Norwalk is more than just a town,
it's where our smiles go up, not down.
It's parks and beaches, fun all day,
and friends we laugh and play with every way.

It's where we learn and grow each year,
With people we know and places we cheer.
The sunsets glow, the waves roll by,
and it always feels like home nearby.

Norwalk is special, strong, and true,
it means a lot to me and you.
no matter where we go or roam,
Norwalk will always feel like home.
